RE: Welch's 2nd Addition

Dear Sir:

Attached is a copy of the drainage plan for Welch's 2nd Addition as requested by the Metropolitan Area Planning Department. I have also enclosed the plat of Welch's 2nd Addition. The names have been corrected on the plat, but the signatures still need to be changed.

Sincerely,

Martin H. Goedecke

DRAINAGE PLAN: Drainage will be handled by filling the lot to an elevation that will allow surface water to flow to Seneca Street thru driveway openings.
