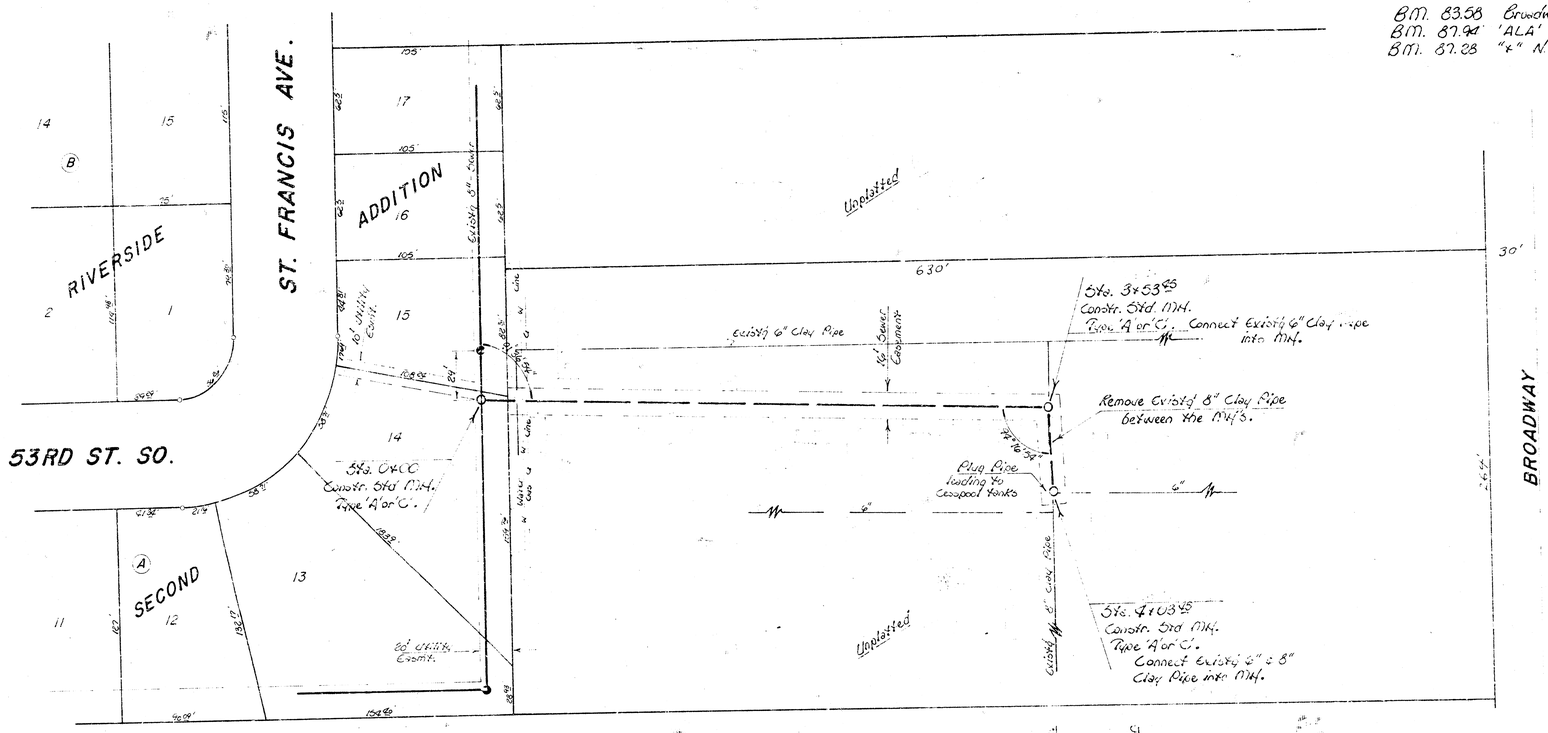
BM. 83.58 Broadway & 55th St. So. City Std. 42' E & 52' S. E Bstn.
BM. 87.94 'ALA' Top Fire Plug N.W. Cor. Maywood & St Francis.
BM. 87.38 "+" N Side Mhf Rim Approx. 303.9' ' of Bk. N. Co. Maywood & 102.9' W. of Bk. W. Co. St. Francis in Riverside 2nd Addn.



Scale:
Plan - 1" = 20'
Profile - 1" = 20' Hor.
1" = 5' Vert.

Note:

Excavate between Sta. 3+53.45 & 4+03.45 before any construction of sewer begins, to insure the proposed sewer is deep enough to connect the existing lines into.

Remove the existing 8" clay pipe between the two manholes. Reconnect existg lines into the proposed manholes.

Contact Jasper Case at 524-8069 for assistance in locating the proposed manholes.

Location of existing sewer system, water lines, & gas lines is approximate, since location map of the site is dayse.

Set top of manholes at ground level elevation.

NOTE: CONTRACTOR SHALL INSTALL PAPS IN ALL [illegible] LINES AND TO CONNECT TO MANHOLES. [illegible] WORK WILL BE PAID FOR AT THE UNIT PRICE BID FOR [illegible] PAPS.
