HAND-DELIVERY

Re: **Stefan Przystanski, CoBZA 2-99**

Dear Dale:

I am enclosing the Decision and Resolution I have prepared following the hearing on June 7, 1999.

The legal description of the subject property was taken from the Warranty Deed attached to Mr. Przystanski's "Statement of Administrative Error," which was the land subject to the appeal. I understand there is some adjacent land about which there may be some dispute, but unless the administrative record shows that other land is involved, this is all of the land subject to the ruling of the Board.

Very truly yours,

ADAMS & JONES, CHARTERED

Roger D. Hughey

### Findings of Fact

The Board made the following findings of fact:

1. This proceeding concerns property described as:

Beginning 2239.53 feet South of the Northwest corner of the Northwest Quarter; thence East 1322.9 feet to the East line of the West Half of the Northwest Quarter; thence South 329.48 feet to the South line of the Northwest Quarter; thence West 1325.72 feet to the Southwest corner of the Northwest Quarter; thence North 329.58 feet to the beginning, all in Section 23, Township 29 South, Range 2 West, Sedgwick County, Kansas,

commonly known as 9926 S. 151<sup>st</sup> St. West, Clearwater, Kansas ("Subject Property").

2. The owners of the Subject Property are Stefan Przystanski and Erna Przystanski.
3. The Subject Property is presently subject to "RR," rural residential zoning.
4. There was no evidence concerning the filing of a nonconformity registration form.
5. Beginning in 1984, the Subject Property was used in part for the manufacturing of topiary objects by hand by Mr. Przystanski.
6. Countywide zoning became effective January 1, 1985, thus subjecting the Subject Property to zoning for the first time.
7. Stefan Przystanski has continuously used the Subject Property for the manufacture of topiary objects by hand and continues that use to this day.

### Conclusions

1. Stefan Przystanski's use of the Subject Property for the manufacture of topiary objects is the same as it was in 1984, before zoning went into effect.
2. Stefan Przystanski's use of the Subject Property for the manufacture of topiary objects does not conform to rural residential zoning regulations.

3. Stefan Przystanski is entitled to continue to use the Subject Property for the manufacture of topiary objects in the same manner as his use in 1984.

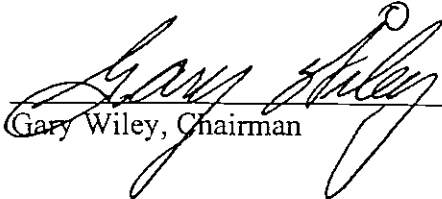

Resolution

Member Tidemann moved that the following resolution be adopted:

BE IT RESOLVED that the determination letter of March 15, 1999 by the Sedgwick County Zoning Administrator be reversed for the reason of a prior nonconforming use.

Member Mullen seconded, and a vote was taken. In favor of the resolution: Chairman Wiley and Members Mullen, Gideon and Tidemann. Opposed: none. The resolution was adopted.
