Agenda Report # \_\_\_\_\_

TO: Mayor and City Commissioners

SUBJECT: Z-2799 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY DWELLING TO "LC" LIGHT COMMERCIAL, LOCATED NORTH OF MAPLE IN AN AREA BETWEEN TRACY AND YOUNG.  
(Starkey Development Center, Inc.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

-----  
MAPC Recommendation: Approve (9-0)

Staff Recommendation: Approve

Background: On September 18, 1986, the MAPC held a public hearing to consider a zone change from "AA" to "LC" for a 30-foot by 229-foot undeveloped portion of two lots located north of Maple midway between Tracy and Young. The site is proposed to be sold with the 170 feet to the south which is already zoned "LC". No one appeared in opposition to the application, and the MAPC recommended unanimously that the zone change be approved subject to replatting this application area together with the 170 feet immediately to the south within one year after City Commission approval or the application be considered denied and closed.

CPO Council "N" made two motions to approve the request. The first motion resulted in a moot vote (3-3); and the second motion failed on a 2-4 vote. No further action was taken.

Analysis: Property to the north and east is undeveloped and zoned "AA"; property to the south is undeveloped and zoned "LC"; immediately to the west is undeveloped land in the "AA" district but to the southwest is a church parking lot in the "LC" district. The 30-foot depth of property immediately to the east has recently been approved for "LC" (Z-2786) and is being replatted (PPCo Addition #3).

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Commission; or
  2. Return the application to the MAPC for reconsideration stating reasons.
