Agenda Report # \_\_\_\_\_

TO: Mayor and City Commissioners

SUBJECT: DP-162 - REQUEST FOR APPROVAL OF THE REGENCY POINTE  
COMMERCIAL COMMUNITY UNIT PLAN; AND

Z-2802 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY  
DWELLING TO THE "LC" LIGHT COMMERCIAL DISTRICT, LOCATED  
ON THE NORTHWEST CORNER OF CENTRAL AND WEBB ROAD.  
(Regency Pointe Joint Venture)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

-----  
MAPC Recommendation: Approve (7-0)

Staff Recommendation: Approve

Background: On October 2, 1986, the MAPC held a public hearing to consider a request for approval of a commercial C.U.P. proposal for 11.4 acres at the northwest corner of Central and Webb. A zone change application has also been filed for a portion of the C.U.P. site requesting "AA" single-family dwelling to the "LC" Light Commercial District. This corner is presently undeveloped and unplatted. One person spoke in opposition to the applications. The MAPC unanimously recommended approval subject to platting.

CPO Council "H" voted 7-0 to recommend approval of the applications.

Analysis: The properties to the north of this C.U.P. are developed with a school and a County Fire Station. The Beech Aircraft Complex is located to the east and southeast, and to the south are office buildings and single family houses. The Wichita Art Association is located to the west.

The proposed Development Plan is divided into two parcels on 11.44 acres. Both parcels propose light commercial uses such as a shopping center, financial institutions, offices, personal services, retail sales, etc., and an associated zone case for that part of Parcel 2, which does not have "LC" Light Commercial zoning, has been filed. Additional information regarding setbacks, access controls, and screening/landscaping, is specified on the plan. The acceleration/deceleration lane along the south line of Parcel 2, and any drainage improvements that may be required shall be guaranteed at the time of platting.

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the development plan and the zone change request.
