Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: DP-160 - REQUEST FOR APPROVAL OF THE WOODBRIDGE
COMMERCIAL COMMUNITY UNIT PLAN; AND

Z-2807 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY
DWELLING TO "LC" LIGHT COMMERCIAL DISTRICT, LOCATED ON
THE SOUTHEAST CORNER OF 119TH STREET WEST AND 21ST
STREET NORTH. (Inland Investment Company, Inc.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

MAPC Recommendation: Approve (7-0)

Staff Recommendation: Approve

Background: On October 2, 1986, the MAPC held a public hearing to consider a request for a zone change from "AA" to "LC", and approval of a commercial community unit plan for 8.2 acres of unplatted land located on the southeast corner of 119th Street West and 21st Street North. The property is currently undeveloped. No one spoke in opposition to the requests although one letter of opposition had been received by the Commission. The MAPC unanimously recommended approval of the applications subject to platting within one year.

CPO Council "A" voted 7-0 to recommend approval of the requests.

Analysis: The properties to the north and west are zoned "R-1" Suburban Residential and are in agricultural use except for a single-family home to the west. To the south and east are proposed single-family subdivisions in the "AA" One-family Dwelling District; some houses to the east are completed or in the process of being built. The proposed C.U.P. divides this property into four (4) parcels with light commercial uses such as: restaurants; banks, savings and loans; pharmacies; tire, battery and accessory stores; and retail shops. Other proposed uses are specific to each parcel and are listed on the development plan.

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the development plan and the zone change request.

Legal Consideration: One protest petition was submitted but the percentage is insufficient to require a 4/5ths vote for approval of the zone change.
