Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: Z-2809 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY DWELLING DISTRICT TO "E" LIGHT INDUSTRIAL, LOCATED ON EAST SIDE OF ROCK ROAD IN AN AREA NORTH OF 37TH STREET NORTH. (Rent-A-Center of America, Inc.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

MAPC Recommendation: Approve (8-0)

Staff Recommendation: Approve

Background: On October 16, 1986, the MAPC held a public hearing to consider a request for a zone change from "AA" to "E" for a 1.2-acre site located on the east side of Rock Road in an area north of 37th Street North. The site is undeveloped and is being replatted from a portion of Reserve J, Willowbend First Addition to a portion of Lot 1 and a street within Rent-A-Center Addition, an industrial subdivision. The zoning on this piece of ground changed from "AA" to "E" in 1985 when the plat of Hi-Tech Industrial Park (First) Addition was recorded. It was changed back to "AA" in March 1986 when it was replatted as part of the residential Willowbend First Addition. It is now being sold to Rent-A-Center of America, Inc. and is being included in an industrial replat known as Rent-A-Center Addition. No one appeared in opposition to the request. The MAPC unanimously recommended approval of the application subject to recording the associated plat (Rent-A-Center Addition) within one year after City Commission approval or the zone change request shall be considered denied and closed.

CPO Council "I" unanimously recommended approval of the zone change.

Analysis: Properties to the north and west are undeveloped, zoned "AA" and are part of the new Willowbend residential community and golf course. Properties to the east and south are zoned light industrial and are also undeveloped.

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the zone change request.
