Agenda Report # \_\_\_\_\_

TO: Mayor and City Commissioners

SUBJECT: Z-2813 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY DWELLING DISTRICT TO "LC" LIGHT COMMERCIAL DISTRICT, LOCATED ON THE NORTH SIDE OF CENTRAL IN AN AREA WEST OF BOYD, (Stephen R. Kelley)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning .

-----  
MAPC Recommendation: Approve (8-0)

Staff Recommendation: Approve

Background: On November 13, 1986, the MAPC held a public hearing to consider a zone change from "AA" to "LC" for two platted lots located on the north side of Central in an area west of Boyd. The lots also have frontage on Arapaho, a residential street north of Central. There are two single-family residences on the site now, one with access to Arapaho only (709 Arapaho) and one with access to Central (6108 W. Central). No one spoke in opposition to the application. The Planning Commission recommended approval of the application subject to replatting the application area within one year after approval by the City Commission in order to address access controls, street right-of-way, building setbacks, and utility easements.

CPO Council "N" did not have a quorum at its November 5, 1986 meeting.

Analysis: Lots to the north, east and west are zoned and used for single-family houses; to the south is a single-family house in "AA" zoning but also residential storage units in the "LC" district (with BZA approval). A zoning policy for both sides of Central between I-235 and the Flood Control Ditch was adopted in 1977 and favors light commercial zoning. The south side of the street is already "LC" with one exception and the north side is about half "LC". If the application area is developed non-residentially, there should be no access permitted to the residential street of Arapaho.

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed; and the recommendation of staff justified the approval of the zone change.
