TO: Mayor and City Council

SUBJECT: ZON2017-00008 and CON2017-00022 – City Zone Change from MF-29 Multi-Family Residential (MF-29) to LC Limited Commercial (LC) and a Conditional Use to Allow a Nightclub and Outdoor Patio for Food and Beverage Service Located at the Southeast Corner of West Irving Avenue and South Seneca Street (District IV)

INITIATED BY: Metropolitan Area Planning Department *DM*

AGENDA: Planning (Consent)

MAPC Recommendation: The MAPC recommended approval of the request (10-0).

DAB Recommendation: District Advisory Board IV recommended approval of the request (9-0).

MAPD Staff Recommendation: Metropolitan Area Planning Department staff recommended approval of the request.

Background: The applicants are requesting rezoning of the vacant property located immediately east of Champs Bar and Grill, located at 1106 South Seneca Street, from MF-29 Multi-Family Residential (MF-29) to LC Limited Commercial (LC) in order to provide an outdoor patio for the existing drinking establishment. The applicant is also applying for a Conditional Use to allow outdoor food and beverage in conformance with the Unified Zoning Code (UZC). The property at 1106 South Seneca is developed with a one-story, masonry commercial building built in 1966. The zone change will allow the applicant to provide a 50-foot by 60-foot patio area that allows beverage and food service and create an outdoor smoking area. No sound systems or live music will be allowed on the patio.

When a tavern, drinking establishment or nightclub is located within 300 feet of a church or place of worship, public park, public or parochial school or residential zoning district, approval of a Conditional Use is required; Unified Zoning Code (UZC), Sec.III-D6.w. MF-29 zoned properties developed with single-family residences are located immediately adjacent to the subject property. There is no history of a Use Exception or Conditional Use for a tavern, drinking establishment or nightclub on the subject property. However, the applicant has stated that the subject property has been either a tavern, drinking establishment or nightclub most of its time from 1966 to the present.

Property west of the subject site is zoned LC and is developed with a commercial brick building in which the existing drinking establishment is located. Properties north, south and east of the site are zoned MF-29 and are developed with single-family residences.

Analysis: On June 22, 2017, the Metropolitan Area Planning Commission (MAPC) recommended approval of the request (10-0). The minutes of the MAPC hearing are attached.

On July 10, 2017, District Advisory Board (DAB) IV reviewed the application and recommended approval (9-0). The report of DAB IV is attached.

No protests were received. The request can be approved with a simple majority vote.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Legal Considerations: The Law Department has reviewed and approved the ordinance as to form.

Recommendation/Actions: It is recommended that the City Council adopt the findings of the MAPC and approve the requested zone change and place the ordinance on first reading, authorize the necessary signatures, and instruct the City Clerk to publish the ordinance after approval on second reading and approve the Conditional Use Resolution (requires four of seven votes).
