

The Planning Commission determined that the character of the neighborhood; the zoning and uses of properties nearby; the suitability of subject property for the uses proposed and the recommendation of staff justified approval of the CUP amendment and associated zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change and C.U.P. subject to the recommended conditions; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Commission; or
 2. Return the applications to the MAPC for reconsideration stating reasons.

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve (6-0)

Staff Recommendation: Approve

Background: On December 22, 1986, the MAPC held a public hearing to consider an amendment to the Northborough C.U.P. and a zone change for a portion of Parcel 3 adjacent to Woodlawn. In May of 1986, Parcels 4, 5, 6 and 7 were amended subject to replatting within one year of City Commission approval. A plat, Northborough 3rd Addition, was submitted and was approved by the MAPC on July 24, 1986. However, the plat and the associated zone change are not yet complete. No one spoke in opposition to the requests. The Planning Commission unanimously recommended approval of the applications subject to several conditions, including platting within one year.

CPO Council "I" recommended 5-0 at its December 18 meeting that these applications be approved.

Analysis: The property to the south across Rockhill Lane is developed with a synagogue. To the east is an office building and to the north is a shopping center. Across Woodlawn, to the west, is a church.

The amendment proposes to divide Parcel 3 into two parcels--Parcel 3 and Parcel 3A. The new parcel contains 1.75 acres and is located at the northeast corner of Rockhill Lane and Woodlawn. Parcel 3A has an associated zone case requesting "BB" office to "LC" light commercial and proposed uses include: Restaurant (excluding those with drive-up window service), financial institutions, and offices. The development plan indicates a decrease in the number of access points to Woodlawn from 2 to 1 (Parcels 3 and 3A have a joint opening) and changes in building setbacks on Parcel 3.
