STAFF REPORT

CASE NUMBER: VAC2005-00036: Request to vacate a portion of a platted utility easement

OWNER/APPLICANT: Steve Peacock

LEGAL DESCRIPTION: Generally described as that portion of the platted 10-foot utility easement, located along the west lot line of Lots 1 & 2, and a portion of the north lot line of Lot 1, all in Block 1, all in the Plaza at Cherry Creek Hills Addition, Wichita, Sedgwick County, Kansas

LOCATION: Generally located east of Rock Road, south of Pawnee Avenue and on the north side of Oak Knoll Street

REASON FOR REQUEST: No utilities in easements

CURRENT ZONING: Subject property and eastern abutting property are zoned "OW" Office Warehouse. Abutting properties north and west of the site are zoned "B" Multi-family Residential. Southern adjacent property (across Oak Knoll Street) is zoned "LI" Limited Industrial.

VICINITY MAP:

The applicant is requesting the vacation of a portion of the platted 10-foot utility easement that runs parallel to its west lot lines of what was Lots 1 & 2 and a portion of the north lot line of Lot 1, all in block 1, all in The Plaza at Cherry Creek Hills Addition. There are no manholes or water and sewer lines in the platted easement. Sewer to the lots is provided by a sewer line located in a 20-foot easement, dedicated by separate instrument (Film 2863, Page 1950), located in the eastern portion of the lot. The easement dedicated by separate instrument was a requirement of a Lot Split (June 6, 2005) on The Plaza at Cherry Creek Hills Addition. No parcel or tract number was given for the new lot, which is where the proposed vacated easements are located. Comments from franchised utilities have not been received and are needed to determine if they have utilities in the easement. The Plaza at Cherry Creek Hills Addition was recorded with the Register of Deeds July 30, 1999.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from Public Works, Storm Water, franchised utility representatives and other interested parties, Planning Staff recommends approval to vacate the portion of the platted 10-foot easement as described in the legal description with the following conditions.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, by publication in the Wichita Eagle of notice of this vacation proceeding one time October 13, 2005, which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by the vacation of the above-described portion of the platted easement and the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the platted easement described in the petition should be approved with conditions;

- (1) Vacate the platted 10-foot utility easement, as described in the legal description, contingent upon approval by Public Works, Water & Sewer, Storm Water, Westar and any other the franchised utility companies. Retain any easement needed for existing utilities, as recommended by public and franchised utilities. Provide an accurate legal description of the applicant's site and the vacated portion of the easement on a word document, via e-mail.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicant's expense. Provide any recommended easements for relocated utilities. If utilities are to be relocated, retain the easement until they are relocated.
- (3) All improvements shall be according to City Standards.

- (4) Per the MAPC Policy Statement #7, all conditions to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation request are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
