- CASE NUMBER:** VAC2007-00045 Request to vacate a portion of a platted setback
- APPLICANT/AGENT:** Orthodontics Clinic Building, LC PEC, c/o Rob Hartman
- LEGAL DESCRIPTION:** Generally described as the platted 75-foot setback that runs parallel to Rock Road on Lot 13, Brad Boone Addition, Wichita, Sedgwick County, Kansas.
- LOCATION:** Generally located midway between 13th & 21st Streets North, on the southwest corner of Rock Road & Rock Road Court (WCC #II)
- REASON FOR REQUEST:** Further development of site
- CURRENT ZONING:** Site, abutting western and adjacent northern (across Rock Road Court) properties are zoned "GO" General Office/CUP DP-62. Adjacent southern and eastern properties, (across RR tracks & Rock Road), are zoned "LC" Limited Commercial with CUP overlays
- VICINITY MAP:**

The applicant proposes to vacate 40-feet of the platted 70-foot street side setback, making a 35-foot setback. The zoning of the subject site is "GO," with a CUP overlay. The UZC requires a minimum of a 15-foot front yard setback for the "GO" zoning district and a minimum of a 35-foot setback for a CUP. The CUP setback standards override the UZC's minimum standards. There is a platted 20-foot utility easement that crosses the south side of the platted setback, it contains a sewer line and will be retained. There are no waterlines the described portion of the platted setback. Comments from franchised utilities have not been received and are needed to determine if they have utilities located within the described portion of the platted setback. The Brad Boone Addition was recorded with the Register of Deeds April 1, 1981.

Based upon information available prior to the public hearings and reserving the right to make recommendations based on subsequent comments from City Public Works, franchised utility representatives and other interested parties, Planning Staff recommends approval of the vacation of the described portion of the platted setback with conditions.

- (1) The platted 70-foot setback, located on Lot 13, Brad Boone Addition, along its Rock Road frontage will be replaced with a 35-foot setback.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicants and at the applicant's expense.
- (3) All improvements shall be according to City standards and at the applicant's expense.
