STAFF REPORT

**CASE NUMBER:** VAC2008-00033: Request to vacate a platted easement

**OWNER/APPLICANT:** Gene W. Foster

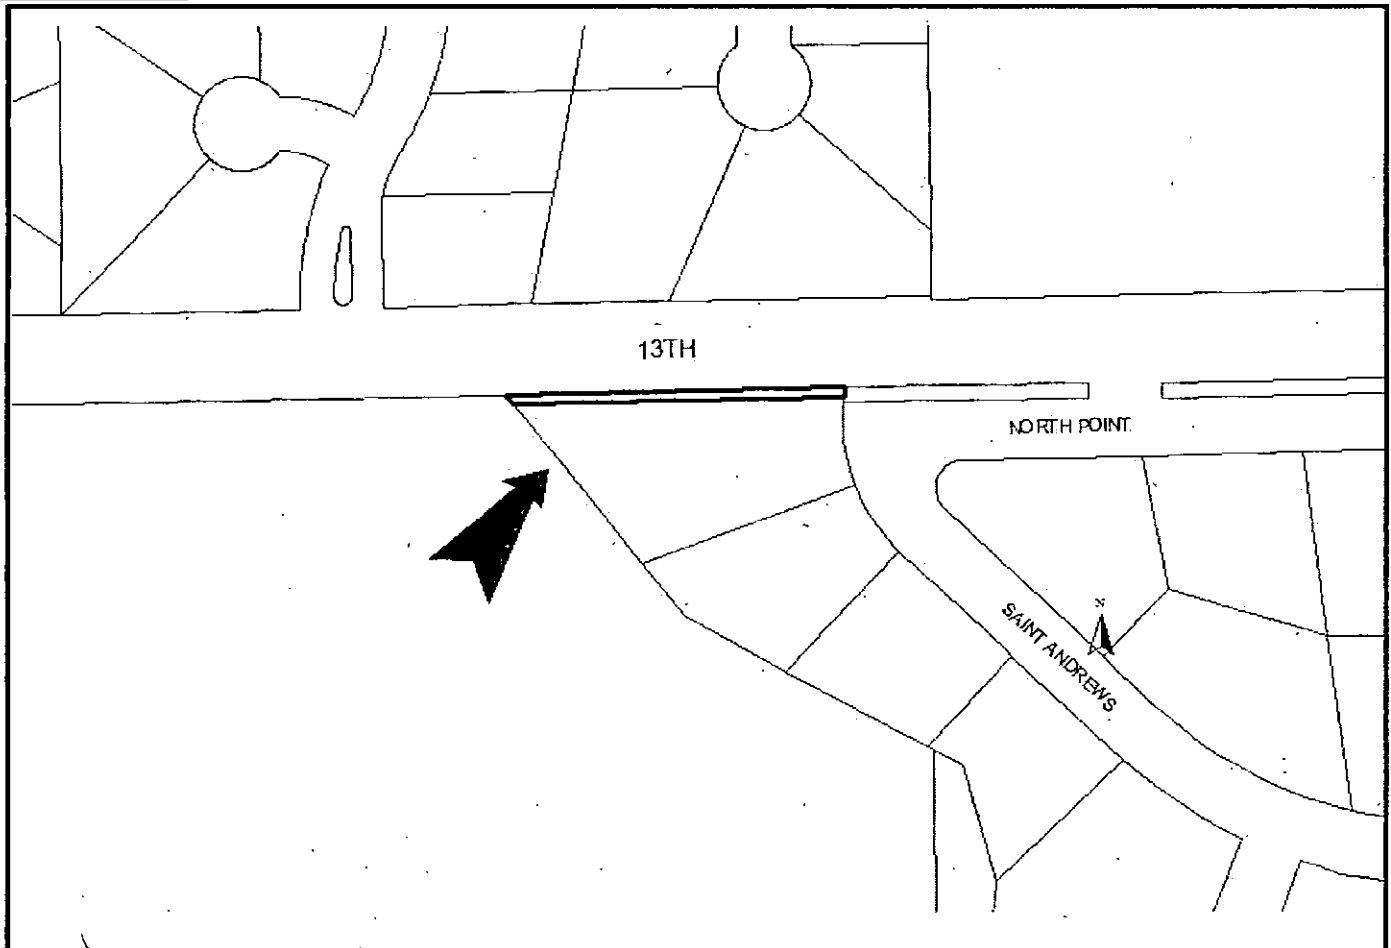

**LEGAL DESCRIPTION:** The platted 10-foot utility easement that runs parallel to 13<sup>th</sup> Street North and the north lot line of Lot 1, Block 3, Crestview Country Club Estates North Point Addition, Sedgwick County, Kansas.

**LOCATION:** Generally located midway between 127<sup>th</sup> and 143<sup>rd</sup> Streets East, south of 13<sup>th</sup> Street North, on the northwest side of Northpoint and St. Andrews Drives. (BoCC #1, 3-mile ring).

**REASON FOR REQUEST:** No utilities in easement

**CURRENT ZONING:** Subject property and abutting southern, eastern and western properties are zoned SF-20 Single-family Residential ("SF-20"). Adjacent northern properties are zoned SF-20 and SF-5 Single-family Residential ("SF-5").

**VICINITY MAP:**

The applicant is requesting consideration for the vacation of the described platted 10-foot utility easement. There are no manholes, sewer or water lines in the platted easement; a water line is located in the 13<sup>th</sup> Street North right-of-way (ROW) and sewer is located in the southwestern portion of the subject lot, within a platted easement. Comments from franchised utilities have not been received and are needed to determine if they have utilities located within the described easement. The County Engineer and City Public Works need to comment on the proposed vacation. Because the site is located in Sedgwick County, but within the City of Wichita's 3-mile ring subdivision jurisdiction, consideration and recommendation by the Wichita City Council and consideration and final action by the Sedgwick County Board of County Commissioners is required. The Crestview Country Club Estates North Point Addition was recorded with the Register of Deeds November 23, 1970.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from the County Engineer, City Public Works, franchised utility representatives and other interested parties, Planning Staff recommends approval to vacate the platted easement as described in the legal description with the following conditions.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle and the Derby Reporter, of notice of this vacation proceeding one time October 16, 2008, which was at least 20 days prior to this public hearing.
  2. That no private rights will be injured or endangered by the vacation of the above-described platted utility easement and the public will suffer no loss or inconvenience thereby.
  3. In justice to the petitioner, the prayer of the petition ought to be granted.

Therefore, the vacation of the platted utility easement described in the petition should be approved with conditions;

- (1) Vacate only that portion of the easement as described in an approved legal description, as approved by County Engineer, City Public Works and franchised utilities. Provide Planning Staff with the approved legal description of the vacated portion of platted utility easement, via e-mail on a Word document.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility, and at the expense of the applicant and per County, City and franchised utilities standards.
- (3) Provide Planning Staff with all required dedications by separate instruments for public utility easements. Provide franchised utilities with any needed easements. All provided the original to planning/franchised utilities prior to the vacation case proceeding to the governing bodies final action.
- (4) No structures, walls, irrigation or landscaping allowed in the 13<sup>th</sup> Street North ROW.

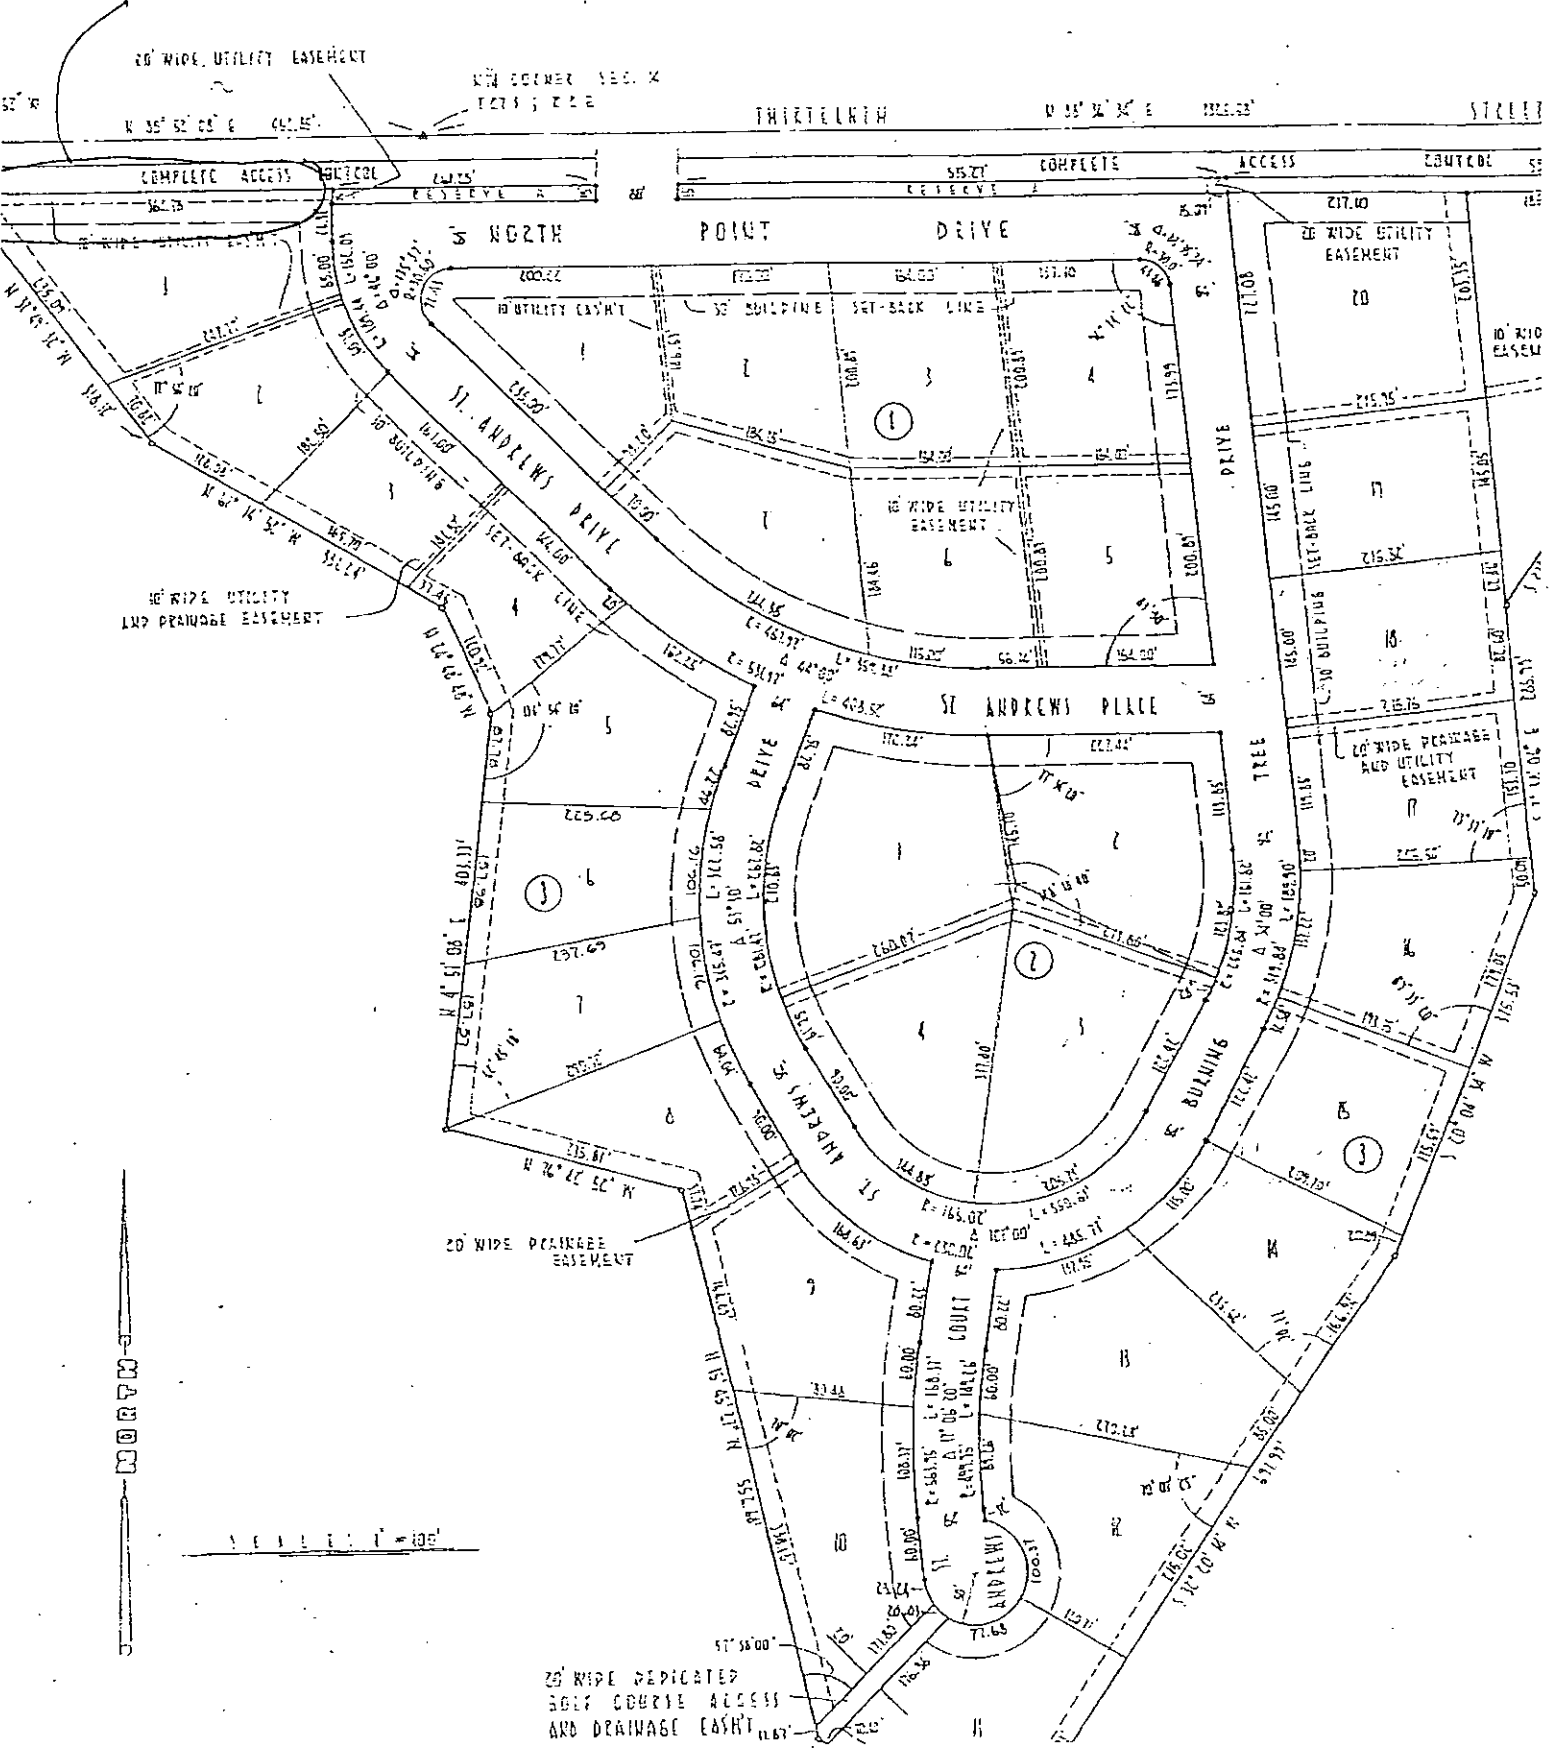

- (5) All improvements shall be according to County and City Standards and at the applicant's expense.
- (6) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation

**SUBDIVISION COMMITTEE'S RECOMMENDED ACTION:**

The Subdivision Committee recommends approval subject to the following conditions:

- (1) Vacate only that portion of the easement as described in an approved legal description, as approved by County Engineer, City Public Works and franchised utilities. Provide Planning Staff with the approved legal description of the vacated portion of platted utility easement, via e-mail on a Word document.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility, and at the expense of the applicant and per County, City and franchised utilities standards.
- (3) Provide Planning Staff with all required dedications by separate instruments for public utility easements. Provide franchised utilities with any needed easements. All provided the original to planning/franchised utilities prior to the vacation case proceeding to the governing bodies final action.
- (4) No structures, walls, irrigation or landscaping allowed in the 13<sup>th</sup> Street North ROW.
- (5) All improvements shall be according to County and City Standards and at the applicant's expense.
- (6) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation
