Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-2872 - ZONE CHANGE FROM "B" MULTIPLE-FAMILY DWELLING
DISTRICT TO "LC" LIGHT COMMERCIAL DISTRICT, LOCATED ON
THE NORTH SIDE OF CENTRAL, EAST OF OLD MANOR.
(District #2)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve subject to replatting (8-0)

Staff Recommendation: Approve "BB" or "OC" subject to replatting.

CPO Recommendation: On September 21, 1987, Council "2A" recommended that the property be zoned "BB" instead of the requested "LC" (5-3). No Council member was supportive of a zoning category higher than the "BB" Office District.

Background: On December 10, 1987, the MAPC held a public hearing to reconsider a zone change from "B" to "LC" for 22 narrow platted lots on the north side of Central in the block east of Old Manor. The MAPC had unanimously recommended approval of the "LC" district when they first considered this request on October 1, 1987. The City Council on November 3, 1987, returned the case for rehearing. Nine multi-family structures occupy the site. In the last several years, three separate groups of multi-family structures on the north side of Central between Oliver and Edgemoor have been approved for office zoning. No one spoke in opposition to the rezoning. The Planning Commission again unanimously recommended approval subject to replatting within one year in order to provide appropriate street right-of-way, utility easements, building setbacks, access controls, and the grouping of lots into fewer, larger building sites.

Recommendations/Actions:

1. Concur with the findings of the MAPC and approve the zone change subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Take appropriate action stating reasons.
