CASE NUMBER: CON2017-00035

APPLICANT/AGENT: F 4, LLC (owner), Nathan Farha (Agent)

REQUEST: Conditional Use for an accessory apartment

CURRENT ZONING: SF-5 Single-Family Residential (SF-5)

SITE SIZE: 0.11 acres

LOCATION: Generally located mid-block between Clifton Avenue and Yale Avenue on the north side of East Second Street (3612 East 2nd)

PROPOSED USE: Accessory Apartment

BACKGROUND: The applicant requests a Conditional Use for an accessory apartment on property zoned SF-5 Single-Family Residential (SF-5). The property is developed with a one-and-one-half-story bungalow residence built in 1922 with parking in the rear of the lot. The accessory apartment will be located in the main structure and have a separate entrance.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “accessory apartment” (Art. II. Sec. II-B.1.b) as a dwelling unit that may be wholly within, or may be detached from a principal single-family dwelling unit. Accessory apartments are also subject to supplementary use regulation Art. III.Sec.III-D.6.a (1) a maximum of one accessory apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an accessory apartment; (2) the appearance of an accessory apartment shall be compatible with the main dwelling unit and with the character of the neighborhood; (3) the accessory apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium and (4) the water and sewer service provided to the accessory apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The surrounding neighborhood is primarily zoned SF-5 and developed with single-family residences. However, over a dozen lots of TF-3 Two-Family Residential (TF-3) zoning exist within this neighborhood. North, west and east of the site on East 2nd Street are single-family residences. South of the site are SF-5 and TF-3 zoned lots developed with single-family and two-family residences.

CASE HISTORY: The site was platted as Lot 7, of the Herbert C. Jones Addition in 1918.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5	Single-Family residences
SOUTH:	SF-5; TF-3	Single-Family and Two-family residences
EAST:	SF-5	Single-Family residences
WEST:	SF-5	Single-Family residences

PUBLIC SERVICES: East 2nd Street is a one-way arterial street at this location with a 60-foot right-of-way. All public services are available to the site.

CONFORMANCE TO PLANS/POLICIES: The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as within the Established Central Area - the mature neighborhoods within an approximate three-mile radius of the downtown core. The Plan encourages infill development within the Established Central Area that maximizes public investment in existing and planned infrastructure and services. The Plan also encourages development of a variety of lot sizes and housing types within the Established Central Area. The Plan’s *2035 Wichita Future Growth Concept Map* identifies this location as “residential,” encompassing areas that reflect the full diversity of residential development densities and types typically found in large urban municipality.

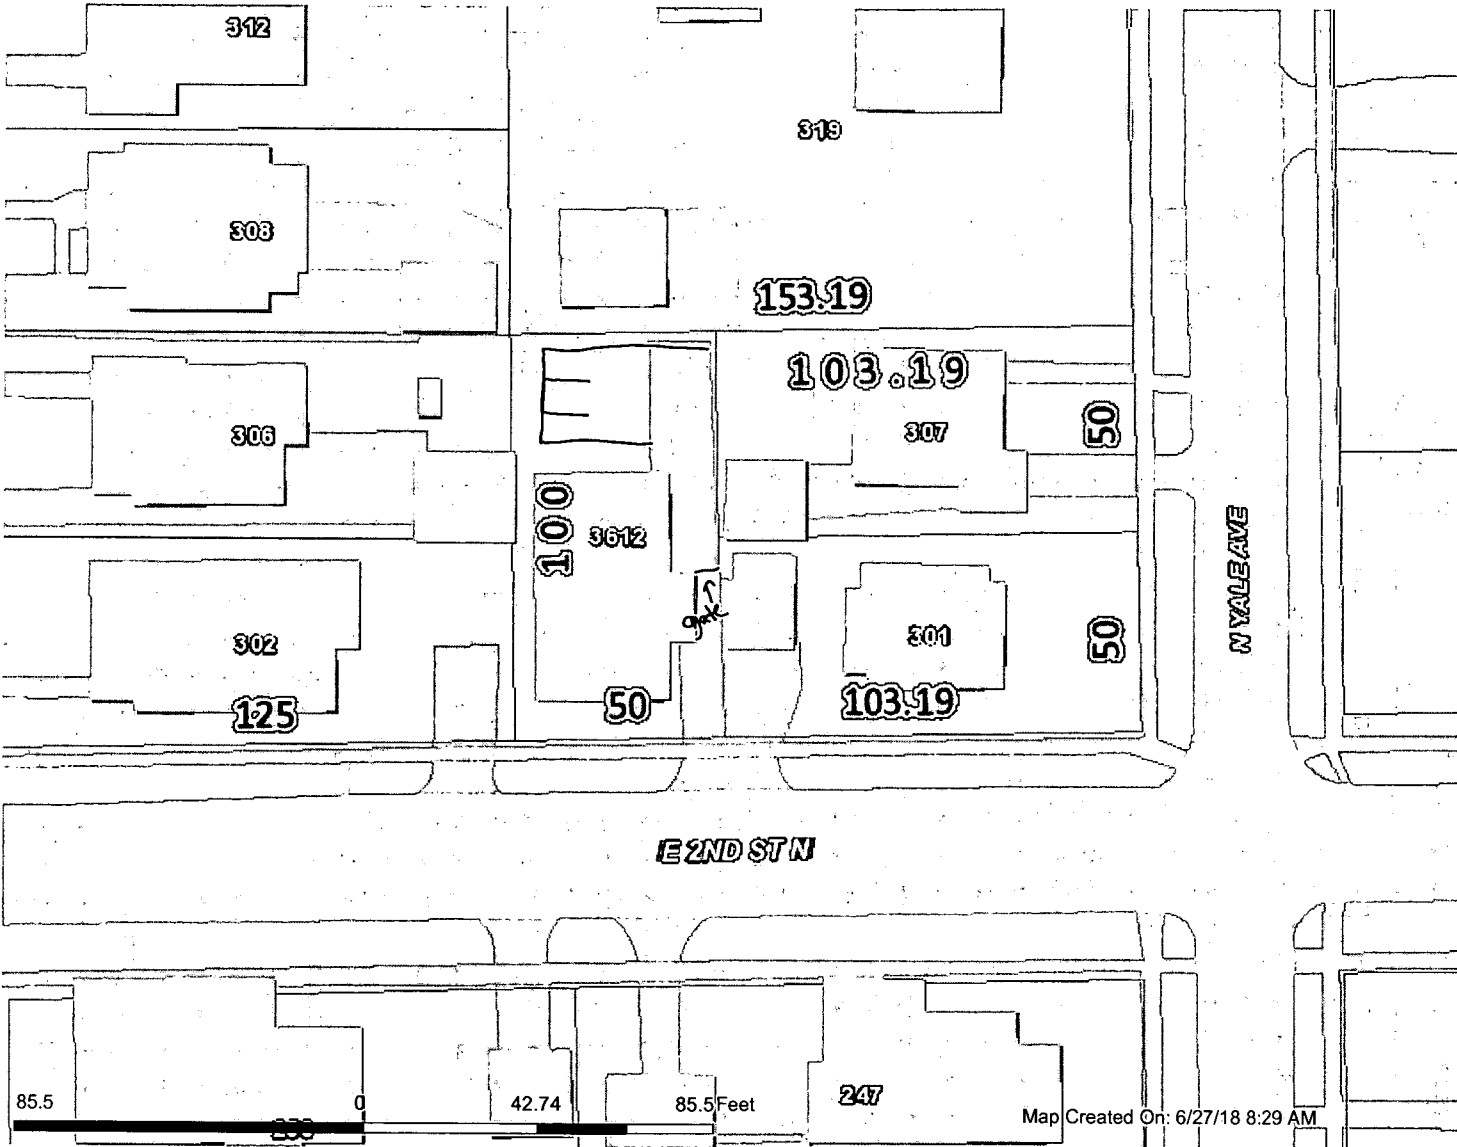

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The surrounding neighborhood is primarily zoned SF-5 and developed with single-family residences. However, over a dozen lots of TF-3 zoning exist within this neighborhood. North, west and east of the site on East 2nd Street are zoned SF-5. South of the site are SF-5 and TF-3 zoned lots developed with single-family and two-family residences.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The site is currently zoned SF-5 developed with a single-family residence and could be developed with a single-family residence.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Impact on surrounding property due to the requested conditional use should be minimal. The site has adequate parking for the main structure and an accessory apartment on site.
- (4) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The adopted Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as within the Established Central Area - the mature neighborhoods within an approximate three-mile radius of the downtown core. The Plan encourages infill development within the Established Central Area that maximizes public investment in existing and planned infrastructure and services. The Plan also encourages development of a variety of lot sizes and housing types within the Established Central Area. The Plan's *2035 Wichita Future Growth Concept Map* identifies this location as "residential," encompassing areas that reflect the full diversity of residential development densities and types, typically found in large urban municipality.
- (5) **Impact of the proposed development on community facilities:** All services are in place. Any increased demand on community facilities can be handled by existing infrastructure.
