INITIATED BY: Metropolitan Area Planning Department *DM bin JLS*

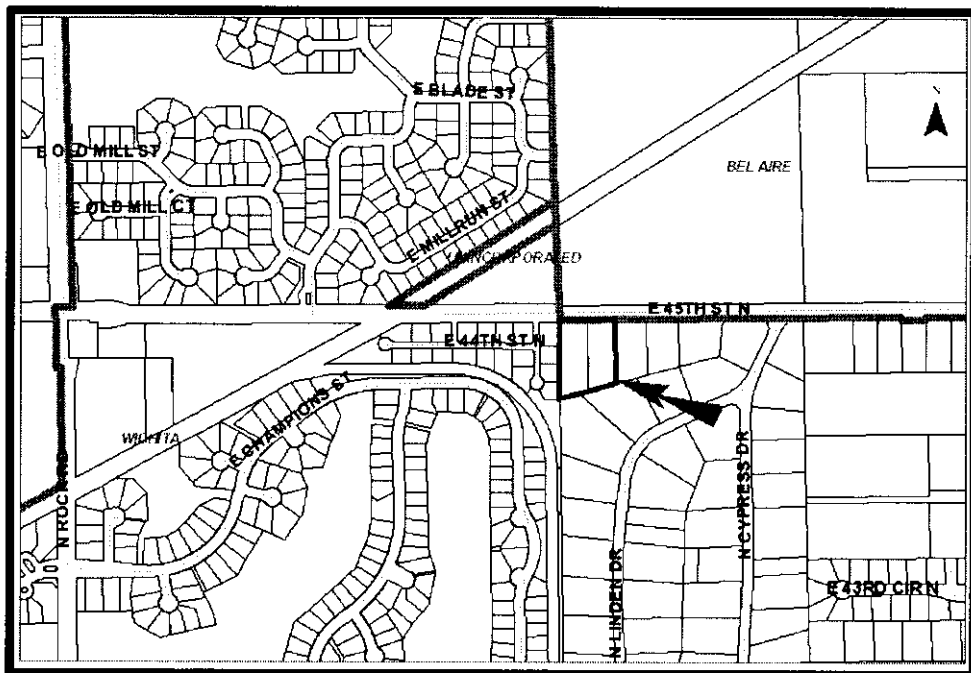

AGENDA: Planning (Non-consent)

MAPC Recommendations: Approve, subject to staff recommendations (12-0) and additional conditions:

- 1) Installation of temporary fence on south and east property line during construction
- 2) Include immediate installation of fence on west property line.
- 3) Permanent fence needs to be installed before a Certificate of Occupancy is issued.

MAPD Staff Recommendations: Approve, subject to platting within one year and limited to seven lots.

DAB Recommendations: Defer until fence was constructed on the west property line.

Background: The application area consists of two developed, platted lots located midway between North Rock Road and North Webb Road, on the south side of E. 45th Street North. The 2.5-acre site is zoned “SF-5” Single-family Residential and the applicant requests “TF-3” zoning to allow for duplex development. The applicant proposes to develop the site with duplexes along a planned cul-de-sac.

The property north of the site is within the Bel Aire city limits and is currently undeveloped. South and east of the site are “SF-5” zoned single-family residences. West of the site, are “TF-3” zoned duplex units. The site has easy access to East 45th Street North.

Analysis: At the MAPC meeting held March 15, 2007, MAPC voted (12-0) to approve subject to platting within one year and with the following additional conditions:

- 1) Installation of temporary fence on south and east property line during construction
- 2) Include immediate installation of fence on west property line.
- 3) Permanent fence needs to be installed before a Certificate of Occupancy is issued.

Two citizens were present to speak and no protests have been received.

Financial Considerations: None.

Goal Impact: Promote Economic Vitality.

Legal Considerations: The resolution has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC and approve the zone change subject to platting within one year; withhold the publication of the ordinance until the plat is recorded; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
