Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-2931 - ZONE CHANGE REQUEST FROM THE "AA" ONE-FAMILY DWELLING DISTRICT TO THE "LC" LIGHT COMMERCIAL DISTRICT AND THE "R-6" GENERAL RESIDENCE DISTRICT, LOCATED ON THE WEST SIDE OF MAIZE ROAD IN AN AREA SOUTH OF CENTRAL (District #5).

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approval (9-0).

Staff Recommendation: Approve the request for "R-6" zoning and approve "BB" zoning for those areas requested for "LC" zoning.

CPO Recommendation: CPO Council 5A recommended denial by a vote of 7-0.

Background: On October 13, 1988, the MAPC held a public hearing to consider a zone change request from the "AA" One-Family Dwelling District to the "LC" Light Commercial and "R-6" General Residence Districts. Both zone change requests involve unplatted property on the west side of Maize Road in areas south of Central Avenue. The "R-6" request involves 6.7 acres of land. The "LC" request involves 2.4 acres of land.

When this case was considered by MAPC, one person appeared to speak in opposition to the application. Concerns were expressed about the possible negative impacts of this proposed development because of possible increased drainage on the Cowskin Creek. The Cowskin Creek and its flood plain mark the west boundary line of the application area. In response to drainage concerns, it was explained that approval of an appropriate drainage plan would be a requirement of subsequent platting.

- Recommendations/Actions:
1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
 2. Return the application to the MAPC for reconsideration, stating reasons.
