Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-2970 - ZONE CHANGE FROM THE "A" TWO-FAMILY DISTRICT TO THE
"C" COMMERCIAL DISTRICT, LOCATED ON THE NORTH SIDE OF BLAKE
IN AN AREA EAST OF K-15 HIGHWAY.
(District #3)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to easement dedications
(9-0).

Staff Recommendation: Approve, subject to easement dedications.

CPO Recommendation: CPO Council "3A" voted 9-0 to recommend
approval.

Background: On October 26, 1989, the MAPC held a public hearing to consider a zone change request from the "A" Two-Family Dwelling District to the "C" Commercial District for a platted residential lot located on the north side of Blake in an area east of K-15 Highway. The application area measures 8,500 square feet and does not have a platted building setback from Blake Street.

The contract purchaser of this property owns and operates the carpet business to the southwest of the application area on the south side of Blake Street. This individual's ownership extends west to the east line of K-15. The applicant's purpose for filing this zone change case is to acquire commercially zoned land for construction of office, warehouse, parking and carpet cutting and sewing facilities. The contract purchaser has advised that the carpet cutting and sewing facility is needed for the making of specialty carpet for aircraft. Central Inspection has advised that warehousing and fabrication/manufacture land uses require the "C" Commercial District.

RECOMMENDATIONS/ACTIONS:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of granting utility easements; place the ordinance establishing the zone change on first reading and instruct the City Clerk to withhold publication until the easements have been recorded with the Register of Deeds; or
2. Return the application to the MAPC for reconsideration stating reasons.
