Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3141 - ZONE CHANGE FROM "B" MULTIPLE FAMILY DWELLING AND "AA" ONE FAMILY DWELLING DISTRICTS TO THE "LC" LIGHT COMMERCIAL DISTRICT, LOCATED APPROXIMATELY 250 FEET SOUTH OF 2ND STREET ON THE WEST SIDE OF WEST STREET.

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting (12-0).

Staff Recommendation: Approve, subject to platting.

CPO Recommendation: Due to the problem with scheduling, and since the MAPC had already ruled on the zone change request, CPO Council Southwest "4" elected to take no action on this matter.

Background: On August 11, 1994, the MAPC considered a zone change from the "AA" One Family Dwelling District and the "B" Multiple Family Dwelling District to the "LC" Light Commercial on a 0.46 acre site platted as the south 7 feet of Lot 3, and the north 60 feet of Lot 5, Block 17, Parkwilde Addition. The site is currently undeveloped and located approximately 250 feet south of 2nd Street on the west side of West Street. The applicant proposes to open a boat sales business on the site. Under "LC" zoning, outside sales or rental of boats can only be approved separately by the Board of Zoning Appeals as a use exception. This is probably not an area where staff would favor that type of request. Also, outside storage is not permitted in "LC" zoning, unless enclosed by a screening fence of not less than six feet in height nor less than the height of the merchandise.

In this area, West Street is predominantly characterized by strip commercial uses; areas where the zoning is one lot deep along an arterial roadway with multiple store fronts and individual access points. The Land Use Guide of the Comprehensive Plan identifies West Street for commercial uses between Maple and Central. The application area is surrounded by "LC" Light

Commercial zoning to the north, south, and east. "C" Commercial zoning is located directly east of the subject property. Single family residential uses and a religious facility are located to the west.

Recommendations/Actions:

1. Adopt the findings of the MAPC and approve the zone change, subject to platting within one year; instruct the Planning Department to forward the ordinance on first reading when the plat is forwarded to the Council.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first hearing).
