Agenda Report # \_\_\_\_\_

**TO:** Mayor and City Council Members

**SUBJECT:** Z-3206 -ZONE CHANGE REQUEST FROM 'TF-3' TWO FAMILY DWELLING TO 'LC' LIMITED COMMERCIAL; AND

CU-409 - CONDITIONAL USE TO ALLOW OUTDOOR VEHICLE SALES, (DISTRICT #2)

**INITIATED BY:** Metropolitan Area Planning Department

**AGENDA ACTION:** Planning

---

**MAPC Recommendation:** Approve, subject to conditions (8-0).

**Staff Recommendation:** Approve, subject to conditions.

**CPO Recommendation:** Approve (6-0).

**Background:** The applicant requests a zone change from "TF-3" Two-Family Residential to "LC" Limited Commercial on Lot 24 and the south 1/2 of Lot 25, Block 1, Beverly Manor Addition (approximately 0.23). The applicant is also requesting a Conditional Use to allow outdoor vehicle sales on the expanded Davis-Moore site (approximately 1.74 acres).

The areas to the north and east are predominately commercial in nature with "LC" zoning, while the areas to the south and west, zoned "TF-3," remain basically residential in character. The proposed expansion of the sales lot is to the south along Edgemoor.

The existing sales lot was established through a series of rezonings and use exceptions. The conditions established in the use exception cases will be retained in the applicant's Conditional Use. Of particular interest is the extension of the landscaping requirements to the south along Edgemoor, as well as the extension of the screening fence and landscape buffer between the expanded lot and the residential property to the south.

Concerns over how the Kellogg expansion would affect this proposal were expressed by a citizen

during the C.P.O. meeting. After discussion, the C.P.O. voted 6-0 to approve the request as recommended by staff. During the Planning Commission's discussion of this matter, the agent for the applicant discussed the need to expand the car lot. It was noted that conditions of the old Board of Zoning Appeals use exception placed on the current sales lot were being retained for the expanded lot. After discussion, the MAPC voted (8-0) to approve the request as recommended by staff.

**Recommendation:**

1. Concur with the findings of the MAPC and approve the zone change and conditional use permit, subject to the recommended conditions; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for consideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)
