Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3227 - FREEDOM DEVELOPMENT, INC., C/O J.V. ALLEN (APPLICANT); GREG ALLISON, MKEC (AGENT) REQUEST ZONE CHANGE FROM "LC" LIMITED COMMERCIAL TO "TF-3" TWO-FAMILY RESIDENTIAL, LOCATED ON THE NORTHEAST CORNER OF 29TH STREET NORTH AND TYLER ROAD.

(DISTRICT #5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting within 1 year (13-0).

Staff Recommendation: Approve, subject to platting within 1 year.

CPO Recommendation: Approve (9-0).

Background: The applicant requests a zone change from "LC" Limited Commercial to "TF-3" Two-Family Residential on 6.12 acres, currently being platted as part of the Oak Ridge 2nd Addition, located at the northeast corner of 29th Street North and Tyler Road.

The applicant has stated an intent to develop duplexes to act as a buffer between the remaining "LC" zoning at the intersection and the rest of the residential development. The final plat for the Oak Ridge 2nd Addition (approved on April 10, 1997), shows the subject property as Lots 2 through 14, Block 1, with a proposed cul-de-sac (Oak Ridge Circle) serving only those lots. The plat also shows a small lot (Lot 1, Block 1), measuring approximately 230 feet by 230 feet, that will remain zoned "LC". The balance of the subdivision will consist of 77 single-family lots.

The subject property is in a developing residential area, with the majority of the property zoned "SF-20" Single-Family Residential to the south and west. The balance of the Oak Ridge development has converted from the "SF-20" district to the "SF-6" district upon its annexation into the City of Wichita, and surrounds the application area to the north and east. A small portion of the northeast

After limited discussion of this matter, the MAPC voted 13-0 to approve the request as recommended by staff.

Recommendation:

1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)
