Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3222 PATICE PROPERTIES (PROPERTY OWNER/APPLICANT); LEON MOEDER (AGENT) REQUESTS ZONE CHANGE FROM "SF-6" SINGLE-FAMILY RESIDENTIAL TO "GO" GENERAL OFFICE, LOCATED NORTH OF 13TH STREET NORTH, WEST OF RIDGE ROAD.

(DISTRICT #5)

INITIATED BY: Metropolitan Area Planning Department *McKrodt*

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting within 1 year and to the additional provisions of a Protective Overlay (P-O) district (13-0).

CPO Recommendation: Approve, subject to platting within 1 year and to the additional provisions of a Protective Overlay (P-O) district (4-3).

Staff Recommendation: Approve, subject to platting within 1 year subject to the additional provisions of a Protective Overlay (P-O).

Background: The applicant requests a zone change from "SF-6" Single-Family Residential to "GO" General Office for a 2.43 acre tract located north of 13th Street North on the west side of Ridge Road.

The application area is currently being platted as Brock 4th Addition and the preliminary plat shows access control along Ridge Road except for two openings. The site is surrounded by "TF-3" Two-Family Residential property to the north and west developed with duplexes. The West Urban Baseball Complex is located on "SF-20" zoned property across Ridge to the east. Sluggers is located on property to the south zoned "LC" Limited Commercial with the Professional Plaza West office complex located at the northwest corner of 13th Street and Ridge, also zoned "LC".

This case was originally approved for "NO" Neighborhood Office by CPO(5) on March 26, 1997 and the MAPC on March 27, 1997, citing that the development standards and limited uses of the "NO" district were more appropriate for this property than those of the "GO" district. Since the first MAPC meeting, the applicant requested the case be sent back to CPO(5) and the MAPC for reconsideration of the original request for "GO" General Office. The applicant has stated that the site will primarily be developed for a dental office that would provide a good transition from the commercial development to the south to the residential development to the north and west. The applicant has also stated that a "prospective medical office tenant" would need to have the ability to have patients stay over night for treatment. Use of the property in this manner would be considered a "hospital use", which would require "GO" General Office zoning.

The CPO originally recommended approval of "NO" in March, per the original staff recommendation. On May 14, CPO considered the request for "GO" to accommodate overnight treatment, and voted unanimously to deny it without restrictions. On May 28, CPO voted 4-3 to approve "GO" if the use was limited to a "dental office and sports medicine clinic."

After limited discussion of the revised development plans for the subject property during the Planning Commission hearing on May 29, the MAPC voted (13-0) to approve the request, as recommended by staff, subject to a Protective Overlay limiting the uses to those in the "NO" district plus hospital and personal improvement services, and retaining the 8,000 square foot per business limitation of the "NO" district.

Recommendation:

1. Concur with the findings of the MAPC and approve the zone change, subject to the additional recommended provisions of a Protective Overlay District and subject to the condition of platting; place the ordinance on first reading.
