Agenda Report # \_\_\_\_\_

**TO:** Mayor and City Council Members

**SUBJECT:** Z-3215 - TAM NGUYEN, EXPRESS ALTERATIONS REQUESTS ZONE CHANGE FROM 'GO' GENERAL OFFICE TO 'NR' NEIGHBORHOOD RETAIL, LOCATED SOUTH OF CENTRAL, EAST OF BROOKSIDE (5813 EAST CENTRAL).

(DISTRICT #2)

**INITIATED BY:** Metropolitan Area Planning Department 

**AGENDA ACTION:** Planning

---

**MAPC Recommendation:** Approve, subject to the additional provisions of a Protective Overlay District (9-2).

**Staff Recommendation:** Approve.

**CPO Recommendation:** Deny zone change, approve Conditional Use (6-0).

**Background:** The applicant requests a zone change from "GO" General Office to "NR" Neighborhood Retail on a 0.17 acre platted tract generally located south of Central, east of Brookside (5813 E. Central).

The applicant's business, Express Alterations, has recently remodeled an existing home on the subject property in order to relocate their business after being displaced by the Kellogg expansion. Express Alterations was erroneously issued a building permit for this remodel project. After the error was found, the Office of Central Inspection issued a temporary Certificate of Occupancy to allow the business to open to allow the applicant time to apply for the change in zoning. The site has access to Central, as well as to Brookside via a shared drive with the dentist office adjacent to the west. There is an existing 6-foot solid wood screening fence located at the rear of the property.

The zoning code classifies the applicant's business as a "personal care service", and first permits these uses "by right" in the "NR" district, or as a Conditional Use in the "GO" District. In addition to uses permitted in the "GO" district, the "NR" district permits a number of limited retail and service uses which are considered to be compatible when adjacent to or near residential areas, yet

tend to generate more traffic than typical office uses. Other uses include: general retail, financial institutions, and restaurants (the latter if limited to 2000 square feet and no drive-through service).

The surrounding land uses are mixed. There are offices and service businesses, as well as residences to the east and west along Central on property zoned "GO" and "NR". To the south of the application area are properties zoned "SF-6" and developed with residential uses. Across Central to the north is Kansas Lighting, and other commercial uses, on property zoned "LC".

CPO2 voted 6-0 to recommend denial of "NR" zoning, but was supportive of a Conditional Use to permit the personal service business.

During the Planning Commission's discussion of this matter, questions concerning the appropriateness of all uses permitted by the "NR" Neighborhood Retail district were addressed. The public voiced their concerns over the protection of the single-family residences to the south along Oakwood Drive. One property owner was concerned about drainage from and access to the site, along with restaurants as an allowed use.

After discussion, the MAPC voted (9-2) to approve the request as recommended by staff and subject to the additional provisions of a Protective Overlay prohibiting restaurants.

**Recommendation:**

1. Concur with the findings of the MAPC and approve the zone change, subject to the additional recommended provisions of a Protective Overlay District; place the ordinance establishing the zone change on first reading; or
2. Return the application to the MAPC for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on the first hearing.)

**RE: Z-3215 - Request for zone change from "GO" General Office to "NR" Neighborhood Retail on property generally located south of Central, east of Brookside (5813 E. Central)**

Dear Mr. Nguyen:

At its regular meeting on December 19, 1996, the Metropolitan Area Planning Commission considered the above-captioned request. The action of the Planning Commission was to recommend that the request be APPROVED, subject to a Protective Overlay prohibiting restaurants.

This matter will be forwarded to the City Council for consideration at their regular meeting on Tuesday, January 14, 1997. This meeting will be held in the City Council Chambers, First Floor, City Hall, 455 N. Main, Wichita, Kansas, beginning at 9:00 a.m. We would remind you that zoning items are considered after all other matters of business. In recognition of the official public hearing held by the Planning Commission, the City Council does not permit additional debate by proponents or opponents of zone change requests.

This is a reminder that the zoning notification signs should now be removed from the property. If you have any questions concerning this matter, please contact our office at 268-4421.

Sincerely,

Russ Ewy  
Associate Planner
