RE: PUD2019-00014 – Zone Change from SF-5 Single-Family Residential to MakeICT Planned Unit Development (PUD #70) north of West Mount Vernon Road and east of South Edgemoor Drive (5920 East Mount Vernon Road)

Dear Applicant:

At its regular meeting on **November 21, 2019**, the Wichita - Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to **APPROVE** the request as recommended by staff 11-0, with the modification to allow all-weather surfaces for the parking area except for the required ADA parking spaces.

Property owners opposed to the application may file with the City Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) To be effective, the protest must be filed by 5:00 p.m. on **December 5, 2019**. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 200 feet of the property for which the application was filed, and must be submitted to the City Clerk by **December 5, 2019, at 5:00 p.m.**

This is a reminder that the zoning notification signs should now be removed from the property.

This application will be presented to the Wichita City Council on **Tuesday, January 7, 2020, beginning at 9:00 a.m.** The City Council meeting will be held in the City Council Chambers, First Floor, City Hall, 455 N. Main, Wichita, Kansas.

If you have any questions concerning this application, please contact our office at 268-4421.

Sincerely,

David L. Yearout, AICP
