Subject: Case No. BZA 29-72 - Request for Exception

Dear Dr. Curry:

On November 28, 1972, the Board of Zoning Appeals approved your request for an exception to permit the construction or installation of a veterinary hospital on property zoned the "BB" Office District and generally located at the southeast corner of 13th Street and Madison. Condition No. 1 of the conditions for approval specified by the Board was the approval of a zone change from the "A" Two Family Dwelling District to the "BB" Office District for the aforementioned property. On March 2, 1973, Ordinance No. 32-557 was published in the official City paper, making the zone change to the "BB" classification effective.

We are therefore forwarding to you a copy of Resolution No. BZA 29-72 which reflects the official action of the Board to approve your request and sets out the conditions of approval. If you have any questions concerning this matter, please call our office.

Sincerely,

Jack H. Galbraith
Secretary

Subject: Case No. BEA 29-72, Request for Exception

Dear Dr. Curry:

At the regular meeting of the Board of Zoning Appeals on November 28, 1972, your request for an exception to permit the installation or construction of a veterinary hospital on property zoned "A" Two Family Dwelling (zoning change to "BB" Office District going before the Board of City Commissioners on December 19, 1972), and generally located at the Southeast corner of 13th and Madison, was considered.

It was the action of the Board to approve this request subject to the following conditions:

1. Approval of a zone change on subject property to "BB".
2. No noise or odors shall be discernible at any exterior building line.
3. Treatment shall be limited to dogs, cats and other small animals. All animals shall be harbored indoors.
4. A five to eight foot solid fence of masonry, architectural tile, louvered or staggered redwood or rough sawed cedar shall be constructed adjacent to the south property line except for the west 20 feet which shall have a three foot fence.

A Resolution setting forth the official action of the Board is being prepared and you will be mailed a copy as soon as the signatures of the Chairman and Secretary have been obtained.

SECRETARY'S REPORT
CASE NO. BZA 29-72

APPLICANT: Othello H. Curry, D.V.M., 1442 North Mosley,
Wichita, Kansas 67214

AGENT: None

REQUEST: Exception pursuant to Section 2.12.590.C, Code of the City of Wichita, to permit a small animal clinic on property requesting a change in zoning from the "A" Two Family Dwelling District to the "BB" Office District (Zone Case No. 1454).

GENERAL LOCATION: Southeast corner of 13th Street and Madison.

LAND USE: Subject property is undeveloped, north is a single family home, florist, greenhouse, and undeveloped property; west is undeveloped property and single family; east is an auto garage and service station; and south is single family.

ZONING: While subject property is currently zoned the "A" Two Family Dwelling District, "BB" Office District zoning has been requested. (Zone Case No. Z-1454, on November 9, was considered by the Planning Commission and was deferred to their meeting of November 27, 1972.) "A" Two Family zoning exists to the south and the west, with "LC" Light Commercial to the east, and "LC" and "A" to the north.

JURISDICTION:

The Board has jurisdiction to consider this request under the provisions outlined under Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception to permit the small animal clinic provided the conditions under Section 28.04.182.2, Code of the City of Wichita, can be complied with.

COMMENTS BY THE SECRETARY:

The applicant is requesting an exception to build a small animal clinic on property for which "BB" zoning is requested. It is the opinion of the Secretary that this is not the type of development which should be encouraged at random throughout the City in areas zoned "BB". Subject property, however, is

located along a major street and is adjacent to a garage and service station, with a florist and greenhouse to the north.

The plot plan submitted with the application indicates that all pets will be harboured indoors with no outside runs. An off-street parking area is to be located south of the proposed structure, adjacent to single family residences. It is therefore, the opinion of the Secretary that screening should be a requirement adjacent to the south property line,

RECOMMENDATION:

It is the recommendation of the Secretary that this application be approved subject to the following conditions:

1. Approval of Zone case Z-1454, "A" to "BB".
2. No noise or odors shall be discernible at any exterior building line.
3. Treatment shall be limited to dogs, cats and other small animals. All animals shall be harboured indoors.
4. A five to eight foot solid fence of masonry, architectural tile, louvered or staggered redwood or rough sawed cedar shall be constructed adjacent to the south property line except for the west 20 feet which shall have a three foot fence.

Dear Mr. Galbraith:

Enclosed please find schematic plans for the animal hospital to be located at 13th Street and Madison, on lots 2 to 16 even, inclusive on Madison Avenue, in Pilot Grove Addition to Wichita, Kansas. I would like to call your attention to one item marked "Exercise Area" (A). This is not a permanent outside area for animals. It will be fenced from the street and the back of the lot, but it will be used for clients to exercise their animals and/or for hospital personnel to administer controlled exercise to patients when necessary.

If there are any further questions concerning these preliminary drawings, please contact me.

Sincerely yours,

Zoning Committee
Metropolitan Zoning Board
of Wichita and Sedgwick County

Dear Sirs:

I am filing an application for special consideration for the re-zoning of property at the southeast corner of 13th Street and Madison, Wichita, Kansas, specifically Lots 2 through 16, inclusive, of Madison Avenue in Pilot Grove Addition in Wichita, Kansas. I am requesting that the zoning be changed from A to BB. I refer you to Case No. Z-1376, previously filed by the previous owner-applicant on February 23, 1972. This application was withdrawn by the owner-applicant without a hearing.

I am making my request for the following reasons:

I wish to build a veterinary hospital at this location. I am being forced to vacate my present location due to the fact that the Urban Renewal Agency of Wichita, Kansas, has acquired my property. It is scheduled for demolition to carry out the renewal programs for that specific area.

There have been significant changes in the area that warrant consideration of this application at this time:

- a. Physical changes of 13th Street to the Canal Route, widening of 13th Street, and the new bridge
- b. The building of the Canal Route overpass and the egress and ingress to 13th Street at this point
- c. The new drainage construction on 13th Street
- d. The physical changes of Mosley, Washington, and Wabash Streets to light industrial (through Urban Renewal), thus forcing relocation

of certain businesses from this area; the need for these businesses to stay within the approximate area of their present locations to preserve their servicing their present clientele

- e. This location has enough land available (other lots in the area are too small or too large) to build a veterinary hospital with sufficient space and adequate off-street parking, and set-backs

I am not asking for a light commercial classification, but a lesser classification sufficient to build the hospital. Also, I am on a thirty-day rental basis, thus time is of the essence.

I will be available to answer any questions that you may have regarding this matter.

Sincerely yours,

Othello H. Curry
