RESOLUTION NO. BZA 39-76

WHEREAS, St. Stephen's Episcopal Church, 7404 Killarney, Wichita, Kansas, requests an exception as provided in Section 2.12.590.C, Code of the City of Wichita, to permit the establishment of a child care center on property zoned the "AA" Single Family Dwelling District and legally described as follows:

Block E, Third Addition to Woodlawn Village, Sedgwick County, Kansas. Generally located at the northwest corner of Killarney Place and Lawrence Lane.

WHEREAS, proper notice as required by ordinance and by the rules of the Board of Zoning Appeals has been given; and

WHEREAS, the Board of Zoning Appeals did, at the meeting of November 23, 1976, consider said application; and

WHEREAS, the Board of Zoning Appeals has proper jurisdiction to consider said request for an exception under the provisions of Section 2.12.590.C, Code of the City of Wichita; and

WHEREAS, the Board of Zoning Appeals has authority to permit the establishment of a child care center on property zoned the "AA" Single Family Dwelling District, subject to the conditions outlined in Section 28.04.185.2, Code of the City of Wichita.

NOW, THEREFORE, BE IT RESOLVED by the Board of Zoning Appeals of the City of Wichita, that this application be approved to permit the establishment of a child care center on property zoned the "AA" Single Family Dwelling District, and legally described as follows:

Block E, Third Addition to Woodlawn Village, Sedgwick County, Kansas. Generally located on the northwest corner of Killarney Place and Lawrence Lane.

subject to the following conditions:

1. The center shall comply with all licensing requirements of the Kansas State Department of Health, including all building and fire safety regulations of the State of Kansas, and the City of Wichita.
2. The Department of Community Health shall determine the maximum number of children to be permitted in the center.
3. Outdoor play shall be limited to the hours between 7:30 a.m. and 6:30 p.m., when any part of the fenced play area is within 100 feet of any occupied residence.
4. One off-street parking space shall be provided on the premises for each teacher and employee plus one off-street parking space for each vehicle used in the operation of the child care center.
5. When the capacity of the child care center exceeds twelve, one off-street loading space shall be provided for each ten children or major fraction thereof.

Re: Request for Exception
Case No. BZA 39-76

Dear Ms. Cusick:

At the regular meeting of the Board of Zoning Appeals on Tuesday, November 23, 1976, your request for an exception to permit the establishment of a child care center on property zoned the "AA" Single Family Residential District, and generally located at the northwest corner of Killarney Place and Lawrence Lane was considered.

It was the action of the Board to approve this request subject to the following conditions:

1. The center shall comply with all licensing requirements of the Kansas State Department of Health, including all building and fire safety regulations of the State of Kansas, and the City of Wichita.
2. The Department of Community Health shall determine the maximum number of children to be permitted in the center.
3. Outdoor play shall be limited to the hours between 7:30 a.m. and 6:30 p.m., when any part of the fenced play area is within 100 feet of any occupied residence.
4. One off-street parking space shall be provided on the premises for each teacher and employee plus one off-street parking space for each vehicle used in the operation of the child care center.

Ms. Martha Cusick
November 23, 1976

5. When the capacity of the child care center exceeds twelve, one off-street loading space shall be provided for each ten children or major fraction thereof.

A Resolution setting forth the official action of the Board is being prepared and you will be mailed a copy as soon as the signatures of the Chairman and Secretary have been obtained.

If you have any questions, please call our office.

Very truly yours,

Larry Dobson

OFFICE OF CITIZEN PARTICIPATION

DATE November 17, 1976

TO Larry Dobson, MAPD

FROM David Furnas, Citizen Participation Coordinator

SUBJECT BZA 39-76
Northwest corner of Killarney Place
and Lawrence Lane

At the November 15 meeting of Area H CPO, Council members voted 8-1 to recommend approval of the exception to permit the establishment of a child care center on property zoned "AA".

The Council felt additional child care services were necessary in the area and that the church would adequately facilitate the center.

The Council noted that a maximum of 25 children should not cause traffic problems in a residential area.

SECRETARY'S REPORT
CASE NO. BZA 39-76

APPLICANT: St. Stephen's Episcopal Church, 7404 Killarney, Wichita, Kansas.

AGENT: Martha Cusick, 260 N. Terrace, Wichita, Kansas.

REQUEST: Exception pursuant to Section 28.04.185.2 Code of the City of Wichita to permit the establishment of a child care center.

GENERAL LOCATION: Northwest corner of Killarney Place and Lawrence Lane.

LAND USE: Subject property is developed and utilized as a church. All surrounding properties are developed as single family residential dwellings.

ZONING: Subject property and all surrounding properties are zoned the "AA" Single Family Residential District.

JURISDICTION:

The Board has jurisdiction to consider this request under the provisions outlined under Section 2.12.590.C, Code of the City of Wichita. The Board may grant the exception provided the conditions set out in Section 28.04.185.2 can be complied with.

COMMENTS BY THE SECRETARY:

The applicant, St. Stephen's Episcopal Church, is requesting an exception to permit the establishment of a child care center in the church facilities. The Junior League of Wichita is designated as agent for the applicant and would operate the center.

The statement of justification submitted with the application describes the child care center as one that would provide child care services to Junior League members and church members, where they could leave their children while performing volunteer civic duties throughout the community.

The center would operate Monday through Friday between the hours of 9:00 a.m. and 12:00 p.m., and from 1:00 p.m. to 4:00 p.m. This would be a pre-school center for a maximum of 25 children. A director would be in charge of the center, with the number of teachers to be determined by the ages of the children involved, as established by the laws governing child care centers.

SECRETARY'S REPORT
CASE NO. BZA 39-76
Page 2

The site plan submitted as part of the application indicates that ample parking space is available, as well as space for the required play area. The Department of Community Health, the Department of Public Works and the Fire Prevention Division have inspected the premises and set forth the conditions which must be met in order to bring the facility into compliance with state and local codes and licensing requirements.

RECOMMENDATION:

It is the recommendation of the Secretary that the exception to permit the operation of a child care center be approved subject to the following conditions.

1. The center shall comply with all licensing requirements of the Kansas State Department of Health, including all building and fire safety regulations of the State of Kansas, and the City of Wichita.
 2. The Department of Community Health shall determine the maximum number of children to be permitted in the center.
 3. Outdoor play shall be limited to the hours between 7:30 a.m. and 6:30 p.m., when any part of the fenced play area is within 100 feet of any occupied residence.
 4. One off-street parking space shall be provided on the premises for each teacher and employee plus one off-street parking space for each vehicle used in the operation of the child care center.
 5. When the capacity of the child care center exceeds twelve, one off-street loading space shall be provided for each ten children or major fraction thereof.

Gentlemen:

The Junior League of Wichita would like to propose to start a Day Care Center at 7404 Killarney. It would be housed in the St. Stephens Episcopal Church which is zoned AA and is located in the third addition to Woodlawn, Block E.

This service would be provided for the Junior League and church members to use during the weekdays, Monday through Friday. The operating hours are from 9:00 AM to 12:00 PM and from 1:00 PM to 4:00 PM. The Junior League members would use this Day Care facility while filling their volunteer work in the League which is from three to six hours weekly. Many of these are involved with civic duties such as the Mid-American All-Indian Center, Heritage Square, Puppet Shows for public schools, Child Advocacy, City Bus Tours, Big Brothers, Big Sisters, Historical Museum, Red Cross, Wichita Festivals, Etc.

A recent survey was taken on the Junior League of Wichita by the Hogg Foundation for Mental Health by the University of Texas. One point which came out at this time was 61% of the League members have preschool children and in order to have an effective Junior League, a Day Care Center is essential.

After many different locations were studied, it was decided that St. Stephens Church would be the best location. It is only a few blocks from the Junior League headquarters and because it is a residential area, safety of the children would be much greater.

Board of Zoning Appeals
October 25, 1976
Page Two

In view of the above, we would like to be granted a waiver from the City zoning to operate at this location. We have been cleared by the proper departments and are willing to complete all requirements.

The school would be able to provide care for 25 children, using three rooms. A play area, which is shown on the drawing, is 2500 square feet with a 5'4" wooden fence. The ratio of teaching staff to children would be determined by the age of the children as follows:

Infants	1 Adult to 3 Children
Toddlers	1 Adult to 5 Children
Preschoolers	1 Adult to 9 Children

One Director - Entire School

Thank you for your consideration in this matter.

Yours truly,

JUNIOR LEAGUE OF WICHITA

There is a useable area of 878 square feet which would allow a maximum enrollment of twenty-five (25) children. There are adequate restroom facilities for this number.

The following will need to be corrected prior to licensure application:

1. A fenced play area with a minimum of 2,000 sq. ft. plus 100 sq. ft. per child over twenty (20).
2. Suitable play equipment will have to be provided both for the outside play area and inside.
3. Long windows adjacent to licensed areas will need to be guarded.
4. Cribs for infants will need to be two feet apart.
5. All electrical wall outlets will have to have safety plugs.
