Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: **Z-3345 – ZONE CHANGE FROM “SF-6” SINGLE-FAMILY RESIDENTIAL TO “GC” GENERAL COMMERCIAL, LOCATED NORTH OF 47TH STREET SOUTH AND WEST OF BROADWAY (District #4)**

INITIATED BY: Metropolitan Area Planning Department *M. Kroad*

AGENDA ACTION: Planning

MAPC Recommendation: Approve, subject to platting within 1 year and the additional provisions of a P-O Protective Overlay District. (11-1).

Staff Recommendation: Approve, subject to platting within 1 year and the additional provisions of a P-O Protective Overlay District.

CPO Recommendation: Approve, subject to MAPD staff comments (5-0-1).

Background: The applicant is requesting to rezone a 3.5 acre tract located north of 47th Street South and west of Broadway from “SF-6” Single Family Residential to “GC” General Commercial. The site is currently undeveloped and unplatted. The applicant is seeking the zone change to expand an existing vehicle sales lot about 2.6 acres in size located immediately east of the site requested for rezoning. The applicant’s current vehicle sales lot is located further north on Broadway near 31st Street South, but there is not sufficient land available at that location to expand the business. If this request is approved, the applicant will move his car lot to this larger location.

The property south of the site is zoned “GC” General Commercial and is developed with a grocery store and an auto parts store. The property north of the site is zoned “LC” Limited Commercial and “SF-6” Single Family Residential and is developed with a restaurant, a motel, and single family residences. The property east of the site is zoned “GC” General Commercial and is developed with a recreational vehicle sales lot and a strip commercial center. The property west of the site is zoned “SF-6” Single Family Residential and is developed with single family residences.

At the meeting held on December 16, 1999, MAPC heard from one adjoining resident who protested the request, but they recommended approval (11-1) of the zone change subject to platting within 1-year and the following conditions of a Protective Overlay:

1. A 6 foot masonry wall running the entire length of the west property line shall be constructed 10 feet east of the west property line. Buffer tree planting between the wall and the west property line shall be in conformance with the Landscape Ordinance.
2. The site shall be developed in accordance with the screening requirements of the Unified Zoning Code and the Landscape Ordinance.
3. Outdoor speakers and sound amplification systems shall not be permitted.
4. The following uses shall not be permitted: adult entertainment establishments, group homes, group residences, halfway houses, correctional placement residences, private clubs, taverns, and drinking establishments. Restaurants that serve liquor can be developed and may serve liquor, as long as food is the primary service of the establishment.
5. The following uses shall be prohibited within 200 feet of residentially-zoned property: service stations, convenience stores with gas islands, restaurants with drive-in or drive-thru facilities, and vehicle service or repair uses that have overhead doors facing those districts.
6. Light poles within 20 feet of the west property line shall be limited to 15 feet in height.

Recommended Action:

1. Concur with the findings of the MAPC and approve the zone change, subject to the additional recommended provisions of a Protective Overlay District and subject to the condition of platting; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Council; or
2. Return the application to the MAPC for reconsideration

(An override of the Planning Commission's recommendation requires a 2/3 majority vote of the membership of the governing body on the first hearing.)
