Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: Z-3350 & Z-3360 - EXTENSION OF TIME TO COMPLETE PLATTING REQUIREMENT FOR ZONE CHANGE REQUESTS FROM "SF-5" SINGLE-FAMILY RESIDENTIAL TO "LC" LIMITED COMMERCIAL. GENERALLY LOCATED SOUTH OF MAPLE AND EAST OF RIDGE (District #V)

INITIATED BY: Metropolitan Area Planning Department 

AGENDA ACTION: Planning

Staff Recommendation: Approve extension of time to complete platting.

Background: On February 8, 2000 and May 2, 2000, the City Council approved zone change requests from "SF-5" Single-Family Residential to "LC" Limited Commercial on properties located south of Maple and east of Ridge. Approval of the zone change requests was subject to the condition of platting the properties within one year. An application to plat the properties was submitted on June 2, 2000; however, the applicant requested several deferrals during the platting process, which prevented completion the plat prior to the deadline. At the request of the applicant, staff approved an extension of time to complete platting to November 2, 2001. The applicant subsequently requested two additional deferrals of the platting process, which prevented completion the plat prior to the extended deadline. On November 1, 2001, the applicant requested an additional six-month extension of time to complete platting, which was granted by the City Council on November 20, 2001. The second extension of time to complete platting expired on May 2, 2002, and on June 17, 2002, the applicant requested a third extension of time to complete platting to August 31, 2002, which was granted by the City Council on July 2, 2002. The applicant indicates that the continuation of rezoning efforts on surrounding properties and negotiations between development groups in the area have prevented completion of the plat; therefore, the applicant has requested a fourth extension of time to complete platting. MAPC Policy Statement No. 5 indicates that extension requests beyond the first extension of time to complete platting require City Council approval.

Recommendation:

1. Approve extension of time to complete platting to August 31, 2003; or
2. Deny the extension of time to complete platting and declare the zone change null and void.
