Brian,

At the Thursday, August 6, 2020, meeting of the Metropolitan Area Planning Commission (MAPC), the above-referenced vacation request was approved subject to the following conditions:

- (1) If any utility services are found to be located within the area of the proposed Vacation, these services shall be relocated at the owner's expense, to city standards, and the applicant shall provide Planning with the dedication of utility easements by separate instruments to go with the Vacation Order to be filed with the Register of Deeds. If relocation is not possible then this Vacation shall be rendered void as the current easement must remain in place.
- (2) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
