Re: Name change of street in  
Highland Heights Second Add.  
NW $\frac{1}{4}$ , Sec 17, Twp 29S, R 1E

Dear Mr. Galbraith:

Highland Heights Addition has a street named Woodside Drive which runs north and south. Highland Heights Second Addition has a continuation of the same street. However, in the Second Addition it changes to an east and west direction, which makes it difficult to address accurately.

It is confusing to the utility companies as well as the post office and fire department.

Therefore, we are requesting that this street in the Second Addition of Highland Heights be changed to Southside Drive. It then can be numbered with east and west blocks.

We would appreciate prompt attention to this before more permits are issued.

Sincerely,

*Vera Stevens*
