Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: Z-2763 - REQUEST FOR ZONE CHANGE FROM "AA" ONE FAMILY DWELLING DISTRICT AND "R-6" GENERAL RESIDENCE DISTRICT TO "LC" LIGHT COMMERCIAL DISTRICT (PARCELS 11A & 12) AND

DP-158 - REQUEST FOR APPROVAL OF W.D.C. PARCELS 11A & 12 COMMERCIAL COMMUNITY UNIT PLAN, LOCATED ON THE WEST SIDE OF ROCK ROAD BETWEEN 30TH STREET NORTH AND 33RD STREET NORTH. (Killarney Investments, Inc.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Zoning

MAPC Recommendation: Approve (7-0)

Staff Recommendation: Approve

Background: On May 29, 1986, the MAPC held a public hearing to consider a zone change from "AA" and "R-6" to "LC" and approval of a commercial C.U.P. for 14.76 acres of unplatted land located on the west side of Rock Road between 30th Street North and approximately 33rd Street North. The property is currently undeveloped. Several property owners in the neighborhood spoke in opposition to these requests, especially the east-west depth of "LC" zoning on Parcel 11A. The MAPC unanimously recommended approval of these requests subject to several conditions itemized in the minutes. The requested changes in the C.U.P. have been made on the revised prints.

CPO Council "I" unanimously recommended approval of the zoning and C.U.P. for Parcel 12 but disapproved for Parcel 11A.

Analysis: Land to the north has been requested for "LC" zoning. Land to the east is part of a commercial C.U.P. (DP-111), only a portion of which has been platted. To the south is another commercial C.U.P. (DP-109); to the west are single-family and duplex homes in the "A" district. Thirty-second Street North divides the property into two separate parcels. The proposed C.U.P., also divided into two parcels, provides a total gross floor area potential of 250,000 square feet (assuming the highway is constructed). A maximum of 16 buildings is proposed (20 if the highway is not constructed). In Parcel 1 (south of 32nd Street) all "LC" uses are permitted except food locker plants, mortuaries, public and storage garages, motels, hotels, and residences. In Parcel 2 (north of 32nd Street) all "LC" uses are

permitted except food locker plants, mortuaries, public and storage garages, and residences. The depth of Parcel 2 puts this commercial area right across the street from four platted duplex lots. To provide some protection for these residential lots, it is recommended that no access to 32nd Street from the west 270 feet of Parcel 2 be permitted and that a 3 to 5-foot masonry wall be required behind the 10-foot landscape buffer. Buildings on the south parcel are limited to 35 feet in height while those on the north parcel, because of the proximity to the highway, are proposed for an 80-foot maximum height.

The Planning Commission found that the character of the neighborhood, the zoning and uses of properties nearby, the suitability of subject site for the use proposed and the recommendation of staff justified the zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change and C.U.P. subject to the recommended conditions; instruct the Planning Department to forward the ordinance for first reading when the plat is forwarded to the City Commission; or
 2. Return the application to the MAPC for reconsideration stating reasons.
