Dear Applicant;

At its regular meeting on **September 14, 2023**, the Wichita - Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to recommend **APPROVAL** of the request with the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence and the ownership shall not be divided or sold as a condominium. The exterior materials are to be complimentary to the main structure.
2. Water and sewer services shall be connected to the main structure and provided in compliance with the Sedgwick County Sanitation Code before a building permit will be issued. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
3. The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD.
4. Development and maintenance of the site shall be in conformance with the approved site plan.
5. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

Property owners opposed to the application may file with the City Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) To be effective, the protest must be filed by 5:00 p.m. on September 28, 2023. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 200 feet of the property for which the application was filed, and must be submitted to the City Clerk by **September 28, 2023 at 5:00 p.m.**

To ensure that Conditional Use applications would not be ruled invalid due to the recent American Warrior, Inc. v. Board of County Commissioners of Finney County, Kansas, the Planning Department is sending Conditional Use cases to the respective Governing Body for action. To do this, the Planning Director is submitting an appeal

for all Conditional Use applications, per UZC Sec. V.A.5. This application will be considered by the Wichita City Council on **Tuesday, October 17, 2023** beginning at 9:00 a.m.

This is a reminder that development application signs should now be removed from the property. If you have any questions concerning this application, please contact our office at 268-4421.

Sincerely,

STAFF REPORT

MAPC: September 14, 2023

DAB VI: September 11, 2023

CASE NUMBER: CON2023-00039 (City)

APPLICANT/OWNER: Jacqueline Green-Doggett (Applicant)

REQUEST: Conditional Use request for an Accessory Apartment

CURRENT ZONING: SF-5 Single-Family Residential District

SITE SIZE: 0.52 acres

LOCATION: Generally located on the east side of North Edwards Street, within 100 feet north of West 25th Street North (2642 North Edwards Street).

PROPOSED USE: Accessory Apartment

RECOMMENDATION: Approve with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on a property zoned SF-5 Single-Family Residential District. The property is located at 2642 North Edwards Street, which is generally located on the east side of North Edwards Street, within 100 feet north of West 25th Street North. The site is currently developed with a 936 square foot single-family home, a detached one-car garage, and a detached two-car garage. The applicant is requesting to convert the one-car detached garage into the Accessory Apartment. The existing structure is built inside of the setback requirements for an Accessory Apartment on SF-5 Single Family Residential zoning.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “Accessory Apartment” (Art. II. Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal single-family dwelling unit. Accessory Apartments are also subject to supplementary use regulation Art. III. Sec. III-D.6.a:

1. A maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit and may be within the main building, within an accessory building or constructed as an Accessory Apartment.
2. The appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood.
3. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium.
4. The water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone, and cable television utility service may be provided as separate utility services.

In staff’s opinion, the proposed Accessory Apartment is compatible with the main dwelling unit and the character of the neighborhood. In the subject neighborhood, many homes have detached garages that sit behind or to the side of the main dwelling. The proposed Accessory Apartment sits approximately 16 feet east from the main dwelling unit.

The character of the neighborhood is low-density residential. Properties on the north, south, east, and west are all zoned SF-5 Single-Family Residential and developed with single-family dwellings.

CASE HISTORY: On October 15, 1950, the site was platted as Lot 4, Block 5 of the Northwest Heights Addition. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5	Single-family residence
SOUTH:	SF-5	Single-family residence
WEST:	SF-5	Single-family residence
EAST:	SF-5	Single-family residence

PUBLIC SERVICES: The subject site has access to North Edwards Street, a paved, two-way local street with no sidewalks. Wichita Transit does not serve this site. This site already has access to all municipal services, such as sewer and water.

CONFORMANCE TO PLANS/POLICIES: The proposed use is in conformance with the following plans:

The Community Investments Plan: The Wichita-Sedgwick County Comprehensive Plan, the Community Investments Plan, identifies the site as a “Residential” on the Future Growth Map Concept Map as: “*areas that reflect the full diversity of residential development densities and types typically found in a large urban municipality.*” Accessory Apartments are listed in acceptable forms of housing in the plan.

Wichita: Places for People Plan: The proposed Accessory Apartment also conforms with the *Wichita: Places for People Plan*. The property is located within Wichita’s Established Central Area in an “Area of Stability”, which the *Plan* defines as “locations within the ECA that exhibit less stress, or fewer economic, connectivity and accessibility

issues than the Areas of Opportunity. Areas of Stability require fewer interventions and potentially less public investment to maintain a stable development environment and community. Improvements should be targeted to support development momentum and strengthen the established physical context.” Accessory Apartments promote small-scale infill and will contribute to the improvement of the area.

Strategies: The Plan recommends strategies to help guide the community in their actions to create walkable places within Wichita. The requested Accessory Apartment proposal aligns with the design principles of Places for People Strategy 5 by “supporting development of a variety of lot sizes and housing types.” The Land Use Compatibility principle encourages Accessory Apartments as appropriate in existing neighborhoods. The requested Conditional Use also aligns with the *Places for People Plan*’s Strategy 6, “Encourage infill and redevelopment that is contextual to the environment in which it is occurring.” The proposed Accessory Apartment will utilize an existing accessory structure.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, with the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 2642 North Edwards Street) and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The water and sewer provided to the Accessory Apartment shall not be provided as separate services from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
5. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include turning in plans for review and approval by the MABCD for the Accessory Apartment.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** The character of the neighborhood is low-density residential. Properties on the north, south, east, and west are all zoned SF-5 Single-Family Residential District and developed with single-family dwellings. Accessory Apartments are permitted within SF-5 zoning by Conditional Use. This applicant proposes to use the existing garage structure for the Accessory Apartment.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned SF-5 which allows for the development of single-family residences. The property will continue to be used as a single-family residence, the size of the property easily accommodates the Accessory Apartment and the additional required parking spaces, as exemplified through the current existence of an accessory structure.

3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Approval of the request should not detrimentally impact nearby properties. The conditions of approval should minimize any unanticipated detrimental impacts.
4. **Length of time subject property has remained vacant as zoned:** The subject property has been developed since 1951.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Staff does not anticipate the requested Conditional Use to have any detrimental effects on the public health, safety, and welfare of the surrounding community. There is ample space on site to accommodate the anticipated traffic and parking. Denial could result in a loss of use and enjoyment of the applicant's property.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The proposed Conditional Use is in conformance with the *Community Investments Plan* and the *Wichita: Places for People Plan*, as discussed in the staff report.
7. **Impact of the proposed development on community facilities:** Community facilities will be minimally impacted by the Accessory Apartment. The property is served by municipal water and sewer.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff did not receive any public comment on the requested Conditional Use.
