STAFF REPORT
MAPC: July 13, 2023

CASE NUMBER: CON2023-00028 (County)

APPLICANT/OWNER: Bradley and Julie Hanneman (Applicants)

REQUEST: Conditional Use to permit an Accessory Apartment

CURRENT ZONING: RR Rural Residential

SITE SIZE: 5.26 acres

LOCATION: Generally located north of 77th Street North and west of 63rd Street East (6301 East Briar Rose Lane).

PROPOSED USE: Accessory Apartment

RECOMMENDATION: Approval with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on property zoned RR Rural Residential District. The 5.26-acre subject site is generally located north of 77th Street North and west of 63rd Street East in unincorporated Sedgwick County (6301 East Briar Rose Lane). The property is currently developed with a single-family dwelling. The Accessory Apartment will be a new building on the site.

According to the site plan, the applicant plans to construct an additional driveway off the existing driveway for the proposed Accessory Apartment. Because the subject site is larger than five acres, the accessory structure is permitted in front of the principal structure. The Accessory Apartment will measure 30 feet on the north end, 35 feet on the south end, and 60 feet on the east and west ends.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “Accessory Apartment” (Art. II.Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal single-family dwelling unit. Accessory Apartments are also subject to Supplementary Use Regulation Art. III.Sec.III-D.6.a:

1. a maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an Accessory Apartment;
2. the appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood;
3. the Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium, and
4. the water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The character of the neighborhood is rural and low-density residential. All adjacent properties are zoned RR Rural Residential District. Properties to the north and west are developed with single-family dwellings. Properties to the east and south are in use as agricultural land.

CASE HISTORY: The property is unplatted. Section 3 of the Subdivision Regulations states that any expansion of residential uses is exempt from the platting process. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Single-family dwelling
SOUTH:	RR	Agriculture
EAST:	RR	Agriculture
WEST:	RR	Single-family dwelling

PUBLIC SERVICES: This site has access to East Briar Rose Lane, which is a gravel, two-lane local street. The property uses a septic system. The subject site is served by Sedgwick County Rural Water District 2.

CONFORMANCE TO PLANS/POLICIES: The request for an Accessory Apartment is in conformance with the *Community Investments Plan*. The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as being in the Rural Growth Area on the 2035 Urban Growth Areas Map. This category “encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural based businesses, and larger lot residential exurban subdivision likely will be developed in this area.”

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, with the following conditions:

- (1) The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence and the ownership shall not be divided or sold as a condominium. The exterior materials are to be complimentary to the main structure.
- (2) Water and sewer services shall be the same as the main structure and provided in compliance with the Sedgwick County Sanitation Code before a building permit will be issued. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
- (3) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning.
- (4) Development and maintenance of the site shall be in conformance with the approved site plan.
- (5) If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The character of the neighborhood is rural and low-density residential. All adjacent properties are zoned RR Rural Residential District. Properties to the north and west are developed with single-family dwellings. Properties to the east and south are in use as agricultural land.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential which is suitable for the existing single-family residence. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
- (4) **Length of time subject property has remained vacant as zoned:** The subject property is not vacant. The property has been developed with a single-family residential dwelling since 1998.
- (5) **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
- (6) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
- (7) **Impact of the proposed development on community facilities:** Staff expect that there will be minimal impact on public roads and services.
- (8) **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff did not receive any public comment on the requested Conditional Use.
