Property owners opposed to the application may file with the County Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) **To be effective, the protest must be filed by 5:00 p.m. on August 10, 2023.** In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 1000 feet of the property for which the application was filed, and must be submitted to the County Clerk by **August 10, 2023 at 5:00 p.m.**

To ensure that Conditional Use applications would not be ruled invalid due to the recent American Warrior, Inc. v. To do this, the Planning Director is submitting an appeal for all Conditional Use applications, per UZC Sec. V.A.5.

STAFF REPORT
MAPC: July 13, 2023

-
- CASE NUMBER:** CON2023-00032 (County)
- APPLICANT/OWNER:** Paul and Rayna Waalkes (Applicant)
- REQUEST:** Conditional Use to permit an Accessory Apartment
- CURRENT ZONING:** RR Rural Residential District
- SITE SIZE:** 4.69 acres
- LOCATION:** Generally located on the north side of East 101st Street North, within one-quarter mile east of North 47th Street East (5128 East 101st Street North).
- PROPOSED USE:** Accessory Apartment.
- RECOMMENDATION:** Approval with conditions.

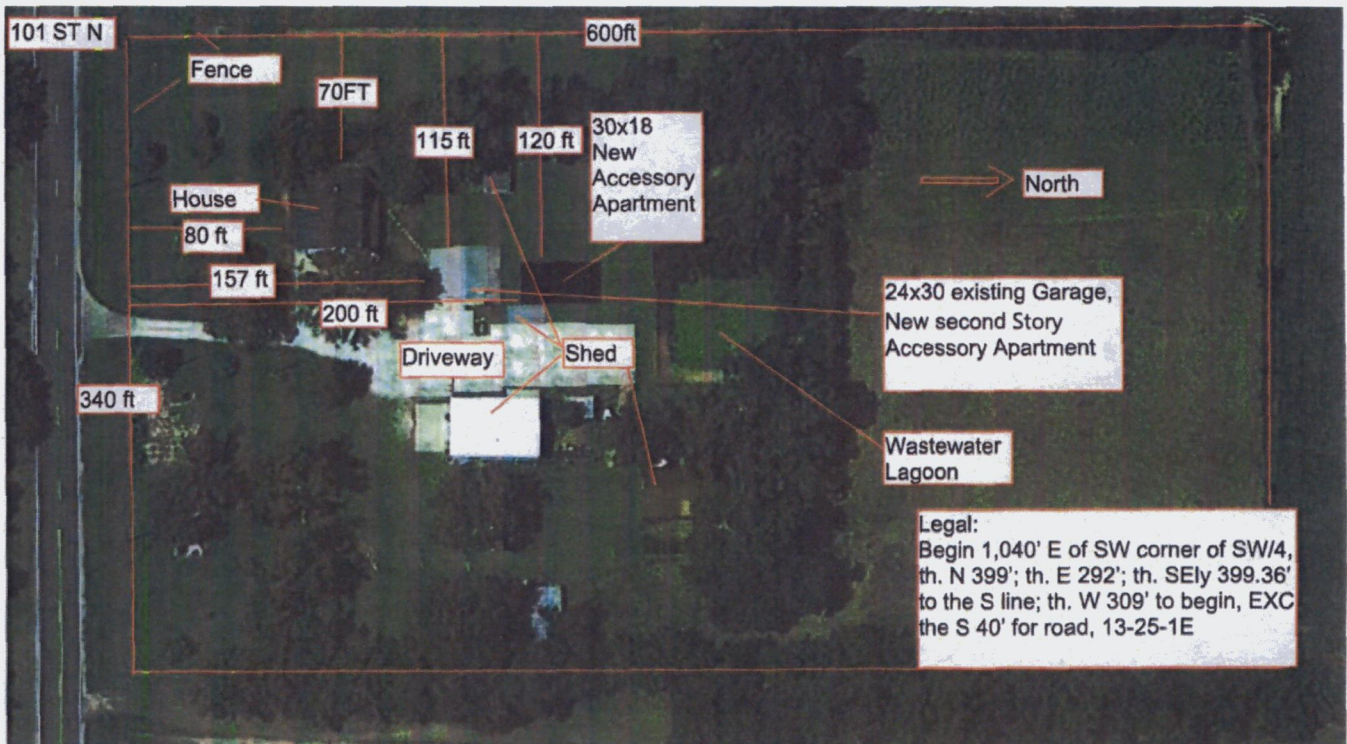

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request for the Conditional Use for one Accessory Apartment be **APPROVED**, with the following conditions:

- (1) The applicant will submit a revised site plan that illustrates one Accessory Apartment on site.
- (2) The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence and the ownership shall not be divided or sold as a condominium. The exterior materials are to be complimentary to the main structure.
- (3) Water and sewer services shall be connected to the main structure and provided in compliance with the Sedgwick County Sanitation Code before a building permit will be issued. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
- (4) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD.
- (5) Development and maintenance of the site shall be in conformance with the approved, revised site plan indicating one Accessory Apartment.
- (6) If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The character of the area is rural and low-density residential. Properties to the north, south, east and west are all zoned RR Rural Residential District. The property north, east, and west of the subject site is in use as agricultural land. Properties to the south are in use as agricultural land or are developed with single-family dwellings.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential which permits the existing single-family residence. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
- (4) **Length of time subject property has remained vacant as zoned:** The subject property is not vacant. The property has been developed with a single-family residential dwelling since 1915.
- (5) **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
