Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: Z-2735 - REQUEST FOR ZONE CHANGE FROM "LC" LIGHT COMMERCIAL AND "R-5" GENERAL RESIDENCE TO "AA" SINGLE FAMILY DWELLING LOCATED ON THE EAST SIDE OF MAIZE ROAD IN AN AREA SOUTH OF YOSEMITE. (Caylan W. Nett, Sr.)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve "AA" (10-0)

Staff Recommendation: Approve "AA"

Background: On January 9, 1986, the MAPC held a public hearing to consider a "down-zoning" request from "LC" and "R-5" to "AA" for three lots in The Park Addition totaling 22.5 acres. The site is undeveloped and the present owner wishes to build single-family homes rather than multi-family dwellings and commercial uses as permitted by the current zoning. In order to assure that only single-family uses will occur, the applicant filed this "down-zoning" request. If approved, the community unit plan for The Park (DP-66) will be adjusted to provide for only single-family development on this site. No property owners in the area appeared at the hearing to speak either for or against the application. The MAPC recommended unanimously that the request be approved, subject to replatting within one year.

CPO Council "A" recommended 7-0 on January 8 that this rezoning request be approved.

Analysis: Yosemite Drive at this location is not yet constructed. Land to the north and northeast is undeveloped but approved for residential development consisting of 1-, 2-, 3-, and 4-family dwellings and townhouses. Land to the south and west is agricultural with a few farmhouses. The Planning Commission found that the character of the neighborhood; the zoning and uses of properties nearby; and the suitability of subject property for the use proposed justified the zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the zoning ordinance for first reading when the plat is forwarded to the City Commission; or
 2. Return the application to the MAPC for reconsideration stating reasons.
