STAFF REPORT

CASE NUMBER: VAC2023-00041 - County Vacation of a portion of a platted 15-foot street-side setback.

APPLICANT Jeff Moses

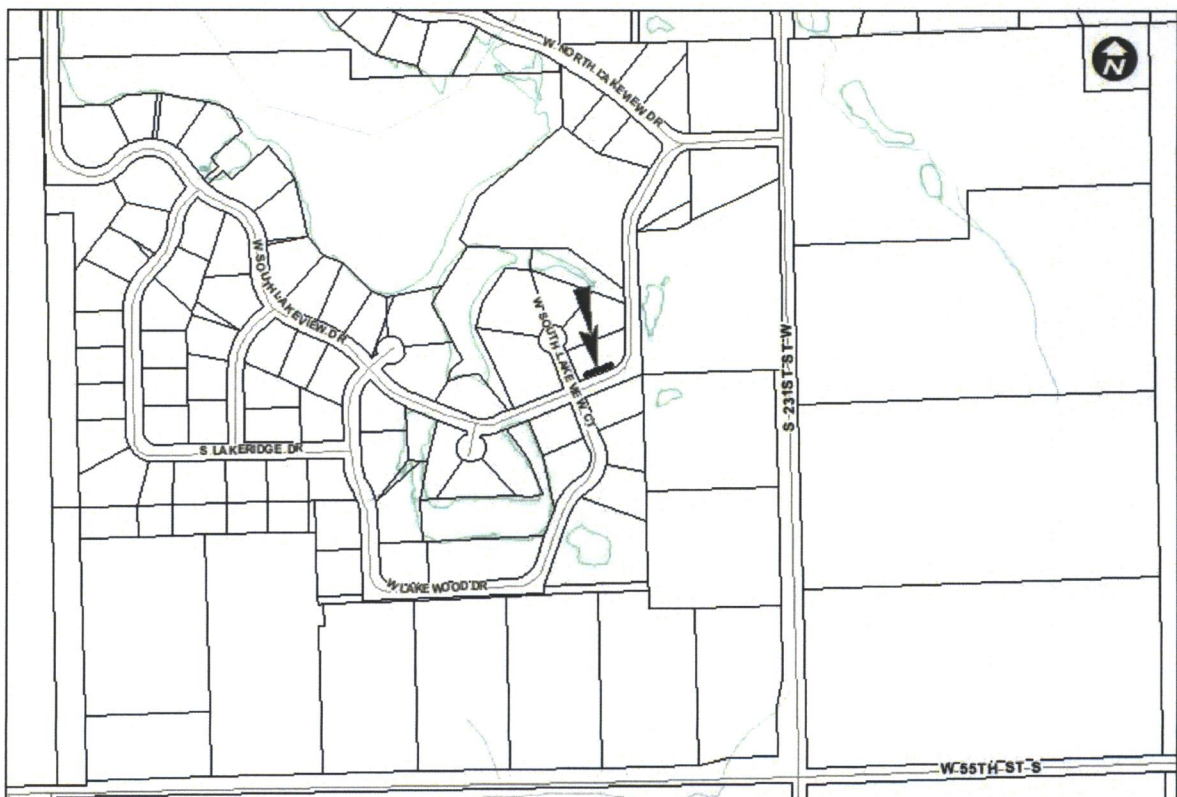

LEGAL DESCRIPTION: Generally described as vacating the Northwestern 5 feet of the Southeastern 15 feet of the Northeastern 102.06 feet of the Southwestern 132.06 feet of Lot 6, Block 4, Miles Country Club Estates-Lake Waltanna—Miles Village Addition, Sedgwick County, Kansas

LOCATION: Generally located one-block west of South 231st Street West and within one-quarter mile north of West 55th Street South (2 South Lakeview Court, Goddard).

REASON FOR REQUEST: Construct a detached garage.

CURRENT ZONING: Site and adjacent properties are zoned RR Rural Residential District and developed with single-family dwellings.

VICINITY MAP

The applicant proposes to vacate the Northwesterly 5 feet of the Southeasterly 15 feet of the Northeasterly 102.06 feet of the Southwesterly 132.06 feet of Lot 6, Block 4, Miles Country Club Estates-Lake Waltanna—Miles Village Addition. The property is addressed 2 South Lakeview Court, Goddard, and it is generally located one-block west of South 231st Street West and within one-quarter mile north of West 55th Street South. The purpose of this vacation is to construct a 30-foot by 50-foot detached garage along an existing diagonal concrete driveway that traverses the southwesterly portion of the subject site. The Lot is zoned RR Rural Residential District and developed with a single-family dwelling. If approved, the request would reduce the platted building setback to 10 feet. The Unified Zoning Code's (UZO) minimum side street setback is 20 feet. The RR district has a minimum lot size of 2 acres, and Lot 6 is a non-conforming lot in size with only 0.545 acres in area. The Lot was platted prior to current zoning standards. Due to the small size of the lot, the buildable area of the lot is further diminished due to the need to provide on-site sewer, upon which structures cannot be constructed.

There are no public utilities located in the proposed vacation areas. The request is outside of Every territory. The Miles County Club Estates—Lake Waltanna—Miles Village Addition was recorded with the Register of Deeds May 11, 1965.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from Public Works, Stormwater, Water and Sewer, Traffic, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portion of platted building setback.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time October 5, 2023, which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by vacating the described portion of the platted street side yard setback and that the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) Provide Planning Staff with legal descriptions of the approved vacated portions of the platted setbacks on a Word document, via e-mail, to be used on the Vacation Order. This must be provided to Planning prior to the case going to the Board of County Commissioners for final action.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicant. Provide Planning with any needed easements dedicated by separate instrument with original signatures. These conditions must be completed prior to the case going to the Board of County Commissioners for final action.
- (3) All improvements shall be according to County Standards and at the applicant's expense.

- (4) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the Vacation Order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
