**STAFF REPORT**  
MAPC January 6, 2022  
DAB V January 3, 2022

- CASE NUMBER:** CON2021-00060 (City)
- APPLICANT/OWNER:** Joselito and Imelda Magno (owner/applicant)
- REQUEST:** Conditional Use request for an Accessory Apartment
- CURRENT ZONING:** SF-5 Single-Family Residential
- SITE SIZE:** 0.86 acre
- LOCATION:** Generally located on the west side of North Ridge Road, within one-quarter mile south of West 21st Street North (1945 N. Ridge Rd).
- PROPOSED USE:** Accessory Apartment

**BACKGROUND:** The applicant is requesting a Conditional Use to build an accessory apartment in the SF-5 Single-Family Residential zoning district. The site is currently developed with a single-family home and a detached garage. The accessory apartment will be located in a new detached garage (4200 square feet) approximately 31 feet north from the south property line and 32 feet east from the west property line of the site. The subject property is unplatted and will not require platting for the construction of the new garage with the accessory apartment.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “accessory apartment” (Art. II. Sec. II-B.1.b) as a dwelling unit that may be wholly within, or may be detached from a principal single-family dwelling unit. Accessory apartments are also subject to supplementary use regulation Art. III. Sec. III-D.6.a (1) a maximum of one accessory apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an accessory apartment; (2) the appearance of an accessory apartment shall be compatible with the main dwelling unit and with the character of the neighborhood; (3) the accessory apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium and (4) the water and sewer service provided to the accessory apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

Properties on the north, south, and west are all zoned SF-5 Single-Family Residential and developed with single-family residences on approximately one-half to one-acre lots. Property east of the site is the Sedgwick County Park (211 acres) which is located in the county and is zoned SF-20 Single-Family Residential. All of the SF-5 zoned lots are located within the Wichita City Limit and are developed with single family dwellings. GIS does not indicate any other accessory apartments in the area.

**CASE HISTORY:** The subject site is not platted, nor will it be required to be platted. There are no zoning cases associated with this site.

**ADJACENT ZONING AND LAND USE:**

NORTH:	SF-5	Single-Family residences (city)
SOUTH:	SF-5	Single-Family residences (city)
WEST:	SF-5	Single-Family residences (city)
EAST:	SF-20	Sedgwick County Park (county)

**PUBLIC SERVICES:** The subject site has access to North Ridge Road and West Bittersweet Lane. North Ridge Road is a paved, arterial street with four lanes and a center turn lane with 125 feet of right-of-way. West Bittersweet Lane is a local collector street with a 50 feet right-of-way that provides access to North Ridge Road from the residential neighborhood west of the subject site. The property is served by municipal water and sewer.

**CONFORMANCE TO PLANS/POLICIES:** The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as “Residential” on the Future Growth Map Concept Map. This category “Encompasses areas that reflect the full diversity of residential development densities and types typically found in a large urban municipality.” This requested Conditional Use is in conformance with the *Community Investments Plan*.

**RECOMMENDATION:** Based upon information available prior to the public hearings, evaluation of the project by planning staff concludes that the proposed project is in conformance with the *Community Investment Plan* and the request be **APPROVED**, subject to the following conditions:

- (1) The accessory apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 1945 North Ridge Road) and the ownership shall not be divided or sold as a condominium. There shall be no home occupation located within the accessory apartment.
- (2) Development of the site shall be in conformance with the approved site plan. No additional access drives will be allowed on the subject property.

- (3) The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood. The height of the accessory structure shall be in conformance with City of Wichita for the SF-5 zoning district.
- (4) The water and sewer provided to the accessory apartment shall not be provided as separate services from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.
- (5) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD before a building permit is issued.
- (6) If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** Properties on the north, east, south, and west are all zoned SF-5 Single-Family Residential and developed with single-family residences on approximately one-half acre lots. Property east of the site is the Sedgwick County Park (211 acres) which is located in the county and is zoned SF-20 Single-Family Residential. GIS does not indicate any other accessory apartments in the Westwood Heights 1st Addition.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned SF-5 which allows the development of single-family residences. The property will continue to be used for one single-family residence; the size of the property can accommodate an accessory apartment located within a new detached garage and any additional required parking spaces that may be needed.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Approval of the request should not have a substantial detrimental impact on the nearby properties. The conditions of approval should minimize any unanticipated detrimental impacts.
4. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as "Residential" on the Future Growth Map Concept Map. This category "Encompasses areas that reflect the full diversity of residential development densities and types typically found in a large urban municipality." This requested Conditional Use is in conformance with the *Community Investments Plan*.
5. **Impact of the proposed development on community facilities:** Community facilities are not expected to be substantially be impacted by the accessory apartment located in an additional accessory structure. The property is served by municipal water and sewer.
