- LEGAL DESCRIPTION:** Vacating of a drainage easement by separate instrument on the northwest side of Lot 1, WSM Properties Addition, Wichita, Sedgwick County, Kansas. (See attached legal description).
- LOCATION:** Generally located on the south side of West Harry Street and within two blocks west of Southwest Boulevard (1601 South Sheridan Ave.). (WCC IV)
- REASON FOR REQUEST:** To remove easement that is no longer needed due to new construction.
- CURRENT ZONING:** The site and all surrounding properties are zoned LI Limited Industrial District and developed with commercial and/or industrial uses.

**VICINITY MAP:**

The applicant is requesting the vacation of a drainage easement dedicated by separate instrument on the northwest side of Lot 1, WSM Properties Addition. The purpose of the vacation is to remove the easement that is no longer needed due to new construction of a building on the site. The drainage easement is recorded on FLM/PG# 1273, 2927-2939. In 2022, a new, 18,000 square foot warehouse was built on the subject site where the easement is located. Prior to construction, stormwater facilities were on this portion of the site, conveying stormwater to the to the north into stormwater facilities in the West Harry Street right-of-way. During construction of the building, the stormwater facilities were relocated. The attached exhibit indicates that underground facilities convey stormwater around the building into a detention basin between the new building and West Harry Street, and then tie into the stormwater facilities in the West Harry Street right-of-way.

Wichita Stormwater has no objection to the vacation. Wichita Fire and Wichita Public Works and Utilities have no objection to the vacation. Neither Every nor Cox have any objection to this vacation request. They do not have lines or equipment in the subject area. The WSM Properties Addition was recorded with the Register of Deeds June 9, 1998.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portion of the drainage easement by separate instrument.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time February 22, 2024, which was at least 20 days prior to this public hearing.
  2. That no private rights will be injured or endangered by vacating the described portion of drainage easement by separate instrument and that the public will suffer no loss or inconvenience thereby.
  3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) If any utility services are found to be located within the area of the proposed Vacation, these services shall be relocated at the owner's expense, to city standards, and the applicant shall provide Planning with the dedication of utility easements by separate instruments to go with the Vacation Order to be filed with the Register of Deeds. If relocation is not possible then this Vacation shall be rendered void as the current easement must remain in place.
- (2) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
