CASE NO. VAC2024-00030

VACATION ORDER

NOW on this 17th day of July 2024, at 9:00 o'clock A.M., comes the petition filed by Michael D. and Karen E. Hampton Living Trust ("Petitioner") praying for the vacation of the following-described portion of a platted complete access control, to-wit:

Vacating the North 30.00 feet of the South 72.50 feet platted complete access control over and across the West line of Lot 2, Block A, Snook Addition, Sedgwick County, Kansas.

WHEREUPON, it is shown that proper notice has been given by publication once at least 20 days prior to the date of hearing in the official county newspaper, the Ark Valley News, such publication having occurred on May 23, 2024; and it is further shown that proper proof of such publication has been filed herein. The Board finds that such notice is in lawful form and that it conforms to K.S.A. 58-2613, and amendments thereto.

THEREAFTER, the Board of County Commissioners of Sedgwick County, Kansas ("Board"), being duly advised in the premises, finds and determines that no private rights will be injured or endangered by such vacation; that the public will suffer no loss or inconvenience thereby; that no written objections hereto have been filed with the Sedgwick County Clerk; and that, in justice to the petitioner, the petition's prayer should be granted.

The Board further finds that the Metropolitan Area Planning Commission held a public hearing on the 13th day of June 2024, and recommended that the vacation petition herein be approved.

THEREFORE, IT IS ORDERED BY THE BOARD that the portion of platted access control described above is hereby vacated. It is further ordered that County Clerk shall certify a copy of this order to the Register of Deeds of Sedgwick County.

STAFF REPORT

CASE NUMBER: VAC2024-00030- Request in the County to vacate a portion of platted access control located along South 151st Street West

APPLICANTS: Hampton Michael D. & Karen E. Liv. Trust (applicant)/ Baughman Company

LEGAL DESCRIPTION: Generally described as vacating the north 30 feet of the south 72.50 feet of platted complete access control over and across the west line of Lot 2, Block A, Snook Addition, Sedgwick County, Kansas.

LOCATION: Generally located on the east side of South 151st Street West, within one-half mile north of West Maple Street (212 South 151st Street West).

REASON FOR REQUEST: To permit an alternate drive location for a proposed dwelling.

CURRENT ZONING: The subject site and properties on all sides are zoned SF-20 Single-Family Residential District (SF-20) and are developed with large lot single-family residences or agricultural uses.

VICINITY MAP

The applicant proposes to vacate the north 30 feet of the south 72.50 feet of platted complete access control over and across the west line of Lot 2, Block A, Snook Addition, Sedgwick County, Kansas. The subject site is located on the east side of South 151st Street West and within one-half mile north of West Maple Street (212 South 151st Street West). The site is currently undeveloped, but the applicant is proposing to construct a single-family dwelling with a detached garage. If approved, the applicant would be permitted to construct a 30-foot drive off of South 151st Street West to access their property.

Within the Snook Addition, Reserve A was platted along the north property lines of Lots 2, 3, and 4; and it was platted for the purpose of providing access to said lots. The attached site plan indicates that Lot 2 is not intending to utilize Reserve A as an access. However, a drive would be constructed at the time when Lots 3 and/or 4 are developed in order to give them access. The distance between the proposed driveway for Lot 2 and the future drive access in Reserve A is 370 feet (center-line to center-line).

The Sedgwick County Access Management Policy requires a 660-foot minimum offset for drives on the same side of the street with full turning movements or drives on opposite sides of the street with conflicting left-turns. A 330-foot minimum spacing is required for drives that allow right-in-right-out only or drives on opposite sides of the street that do not line up or have conflicting left-turn movements. The Sedgwick County Access Management Policy permits deviations from these standards in situations where the character of the site, development, street or area presents unusual conditions and application of the standards will cause an undue hardship or impracticality. Additionally, Article 10- 104 of the Subdivision Regulations, Modification of Design Criteria, states that the MAPC may modify design criteria.

Sedgwick County Public Works does not object to the vacation, even though it does not meet the Sedgwick County Access Management Policy. The subject area is nearly surrounded by the City of Wichita and the distance between the proposed driveways is just under City's access management guideline of a 400-foot separation requirement between full movement access points along the same side of arterial street. With the proposed driveways providing access to future, single-family residential lots, turning movements onto South 151st Street West will be minimal.

Every does not object to the vacation request. They have existing equipment in the vacation area. Nick Hensley, Area Design Representative, is their contact for this request and can be contacted with any questions at 316-261-6320. Standard language applies: any relocation or removal of existing Every equipment will need to be discussed and will be at the applicant's expense. Cox does not object to the vacation request. They have a buried fiber line on the east side of the South 151st Street West right-of-way, and this line cannot be relocated. They stress that caution must be used when crossing this fiber line. James Walburn can be contacted regarding this item at 316-260-7491. Conditions #3, and #4 cover all utilities. Vehicular traffic, pedestrian traffic, public safety, and utilities should not be impacted by this vacation request if approved with the listed conditions.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from County Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portions of the platted complete access control.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time May 23, 2024, which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by vacating the described portion of the platted access control and that the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) If recommended for approval by the Metropolitan Area Planning Commission, the applicant shall provide Planning with a legal description. This legal description must be provided to Planning staff prior to the case going to the Sedgwick County Board of County Commissioners for final action. Provide Planning staff with legal description of the approved vacated portion of the platted access control on a Word document via e-mail to be used on the Vacation Order.
- (2) The drive shall be constructed to County Standards and at the owner's expense.
- (3) Any relocation or reconstruction of utilities made necessary by this vacation shall be to County Standards and the responsibility of the owner and at the expense of the owner, including the relocation of any power poles, equipment, or public utilities and drainage. Provide approval from those utilizes of any relocation of those impacted utilities prior to the case goes to Sedgwick County Board of County Commissioners for final action.
- (4) All improvements shall be according to County Standards and at the applicant's expense.
- (5) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC, or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council, or the Sedgwick County Board of County Commissioners have taken final action on the request and the Vacation Order, and all required documents have been provided to the City, County, and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION

The Subdivision Committee recommends approval per staff recommendations.
