The City Council, after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, makes the following findings:

1. That due and legal notice has been given by publication, as required by law, in The Wichita Eagle on May 23, 2024, which was at least 20 days prior to the public hearing.
2. No private rights will be injured or endangered by the vacation of the portion of a five-foot wall easement and a portion of a 10-foot utility easement and the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner, the prayer of the petitioner ought to be granted.
4. No written objection to said vacation has been filed with the City Clerk by any owner or adjoining owner who would be a proper party to the petition.
5. The vacation of the described portion of a five-foot wall easement and a portion of a 10-foot utility easement should be approved.

IT IS, THEREFORE, BY THE CITY COUNCIL, on this 13th day of August 2024, ordered that the above-described portion of a five-foot wall easement and a portion of a 10-foot utility easement are hereby vacated.

IT IS FURTHER ORDERED that the City Clerk shall send this original Vacation Order to the Sedgwick County Register of Deeds for recording.

VAC2024-00032

STAFF REPORT

CASE NUMBER: VAC2024-00032 - Request to vacate a portion of a platted wall easement and a utility easement.

OWNER/APPLICANT: CDM Development, LLC (Applicants)/ Baughman Company, P.A. (Agent)

LEGAL DESCRIPTION: Generally described as vacating a portion of the platted 5-foot wall easement and a 10-foot utility easement on Lot 9, Block 1, Hoskinson 2nd Addition, Sedgwick County, Kansas (See attached legal description).

LOCATION: Generally located a ¼-mile south of West 37th Street North and on the west side of North Ridge Road (3611 North Ridge Road). (WCC V)

REASON FOR REQUEST: To permit construction to add to the rear footprint of the building.

CURRENT ZONING: The subject site and properties on the north and south sides are zoned NR Neighborhood Retail District with CUP DP-242 and are developed with commercial uses. Property to the west of the subject site is zoned SF-5 Single Family Residential District and is in use as a reserve/detention pond. Property to the east of the subject site is zoned LC Limited Commercial District with CUP DP-242 and is developed with commercial use.

VICINITY MAP:

The applicant proposes to vacate a portion of the platted 5-foot wall easement and a 10-foot utility easement on Lot 9, Block 1, Hoskinson 2nd Addition, see legal description and exhibits. If approved the applicants are intending to add to the rear footprint of the building on the subject site.

Within the south 20 feet of the subject easement, there is a storm sewer line that runs perpendicular to the subject easements within a platted 40-foot access easement. The storm sewer line drains storm run-off from the parking lot on the subject site to the detention point to the west. The applicant indicates that this storm sewer line is private. Wichita Stormwater has no objection to the vacation request. Conditions 1 and 2 cover all utilities. If any relocation of this line is required, it would be at the applicant's expense. Public Works and Utilities does not object to the vacation request. City Traffic does not object to the vacation request. Comments from franchised utilities have been received and do not object to the vacation request. Evergy has no objection to this vacation request. The Hoskinson 2nd Addition was recorded on April 20, 2000.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portion of the platted wall and utility easement.

- (1) Abandonment or relocation/reconstruction of any/all utilities made necessary by the vacation of the described portion of a wall easement and utility easement shall be to City Standards and shall be the responsibility and at the expense of the applicant. As needed provide approval from franchised utilities for the relocation of franchised utilities. All to be provided to the Planning Department prior to this case going to City Council for final action.
- (2) As needed provide Planning with dedication of easements by separate instruments with original signatures to go with the Vacation Order to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds. All to be provided to the Planning Department prior to this case going to City Council for final action.
- (3) All improvements shall be according to City Standards and at the applicants' expense.
- (4) Provide Planning with a legal description of the vacated portion of the platted utility easement on a Word document via E-mail that can be used on the Vacation Order. This must be provided to the Planning Department prior to this case going to City Council for final action.
- (5) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION

The Subdivision Committee recommends approval per staff recommendations.
