STAFF REPORT
MAPC: July 13, 2023

-
- CASE NUMBER:** CON2023-00027 (County)
- APPLICANT/OWNER:** Kristin Webb (Applicant)
- REQUEST:** Conditional Use to permit an Accessory Apartment, waive Supplementary Use Regulation D-6.a(4)
- CURRENT ZONING:** RR Rural Residential District
- SITE SIZE:** 3.95 acres
- LOCATION:** Generally located on the south side of West 69th Street North, within one-quarter mile west of North 183rd Street West (18801 West 69th Street North).
- PROPOSED USE:** Accessory Apartment with separate water well
- RECOMMENDATION:** Approval with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on property zoned RR Rural Residential District. The 3.95-acre subject site is generally located on the south side of West 69th Street North, within one-quarter mile west of North 183rd Street West (18801 West 69th Street North). The property is currently developed with a single-family dwelling and a detached garage. The Accessory Apartment will be an additional building on the site.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “Accessory Apartment” (Art. II.Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal single-family dwelling unit. Accessory Apartments are also subject to Supplementary Use Regulation Art. III.Sec.III-D.6.a:

1. a maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an Accessory Apartment;
2. the appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood;
3. the Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium, and
4. the water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

Because the applicant plans to have the Accessory Apartment on a separate water well than the principal structure, the applicant is requesting a waiver of Supplementary Use Regulation D-6.a(4). The waiver must be approved by the governing body, the Sedgwick County Board of County Commissioners.

According to the site plan, the applicant plans to construct an additional garage southwest of the principal structure that will also have an apartment. The proposed Accessory Apartment will measure 35 feet by 44 feet. It will be located 41’-6 ¾” from the west property line and 18’-11 9/16” from the south property line. Septic is provided by a 1,500-gallon tank and lateral lines.

The character of the neighborhood is rural. Properties to the north, south, east, and west are all zoned RR Rural Residential District and are in use as agricultural land.

CASE HISTORY: The property is unplatted. Section 3 of the Subdivision Regulations states that any expansion of residential uses is exempt from the platting process. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Agriculture
SOUTH:	RR	Agriculture
EAST:	RR	Agriculture
WEST:	RR	Agriculture

PUBLIC SERVICES: This site has access to West 69th Street North, which is a gravel, two-lane arterial street with open ditches on each side. The property uses a septic system and well water.

CONFORMANCE TO PLANS/POLICIES: The request for an Accessory Apartment is in conformance with the *Community Investments Plan*. The Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as being in the Rural Growth Area on the 2035 Urban Growth Areas Map. This category “encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural based businesses, and larger lot residential exurban subdivision likely will be developed in this area.”

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the requests for the Conditional Use and waiver of Supplementary Use Regulation D-6.a(4) be **APPROVED**, with the following conditions:

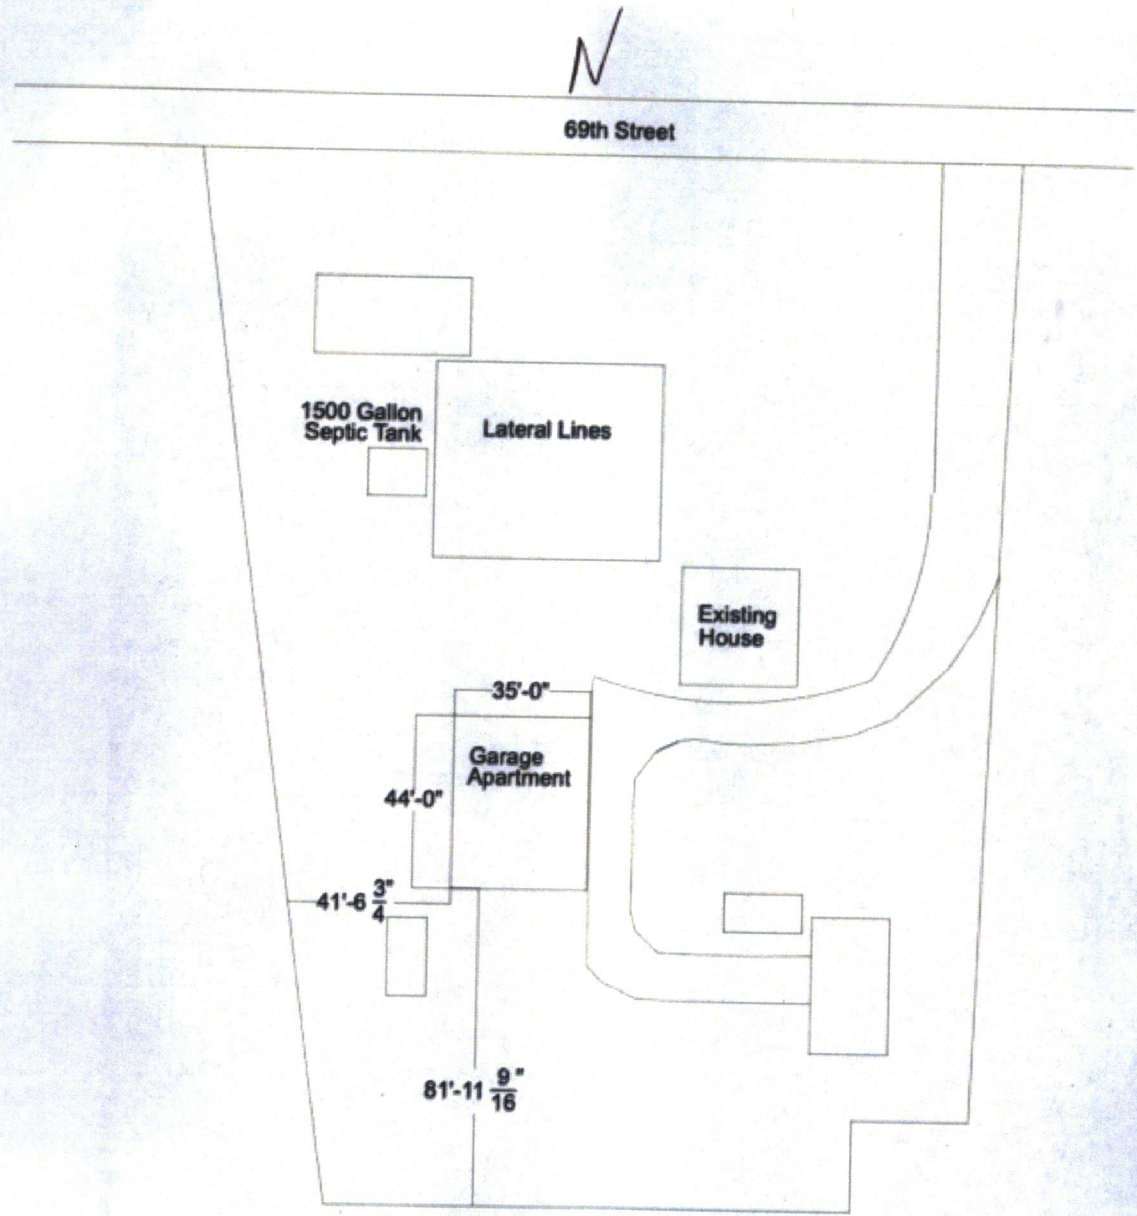

- (1) The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence and the ownership shall not be divided or sold as a condominium. The exterior materials are to be complimentary to the main structure.
- (2) The applicant shall obtain all applicable permits including, but not limited to: building, health and zoning. This will include submitting plans for review and approval by the MABCD.
- (3) Development and maintenance of the site shall be in conformance with the approved site plan.
- (4) If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The character of the neighborhood is rural. Properties to the north, south, east, and west are all zoned RR Rural Residential District and are in use as agricultural land.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential which is suitable for the existing single-family residence. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
- (4) **Length of time subject property has remained vacant as zoned:** The subject property is not vacant. The property has been developed with a single-family residential dwelling since 1910.
- (5) **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
- (6) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
- (7) **Impact of the proposed development on community facilities:** Staff expect that there will be minimal impact on public roads and services.
- (8) **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff received one phone call from the public that was inquiring about the Conditional Use.
