STAFF REPORT

CASE NUMBER: VAC2020-00020– City vacation of alley right-of-way for access improvements.

APPLICANTS: Jorge & Jessica De La Torre, Jessica (Owens) Palmer, Danny L. Hand, Becky Hopkins

LEGAL DESCRIPTION: Platted 20-ft alley between Lots 2 and 3, Block C of Westbreeze 2nd Addition.

LOCATION: Generally located south of West Douglas Avenue between South Doris Street and South Clara Street (5009 & 5015 W. Douglas Ave.) (WCC IV)

REASON FOR REQUEST: Access Improvements

CURRENT ZONING: SF-5 Single Family Residential

VICINITY MAP:

The applicants are requesting the vacation of alley right-of-way to allow for access improvements on property located south of West Douglas Avenue between South Doris Street and South Clara Street. The alley is situated between the properties located at 5009 and 5015 West Douglas Avenue, consisting of Lots 2 and 3, Block C of Westbreeze 2nd Addition. The platted alley ends at the northern lot line of Lots 4 and 23, Block C of Westbreeze 2nd Addition. A 20-ft connected alley was platted running east-west along the south lot line of Lot 3 (5015 W Douglas Ave.). This east-west alley was previously vacated in 1950. The properties adjacent and to the south have access to public right-of-way, being S. Doris Street and S. Clara Street, via private drives. Therefore, the vacation of the alley will not deprive access to public right-of-way. All properties that abut the alley, including owners to the south, have signed the vacation petition indicating their consent to the vacation of the alley.

The owner of 5009 W. Douglas Ave. indicates that they would utilize the additional land resulting from the alley vacation as an entrance to their backyard. The owner of 5009 W. Douglas Ave. proposes moving their fence over which would allow better driving access to the backyard. The proposed fence will include an access gate in the front to allow access.

Public sewer line is located along the south lot line of 5009 and 5015 W Douglas Ave. Public Works and Utilities request 20' wide utility easement running east and west, centered on the existing sanitary line. The easement shall be dedicated by separate instrument.

Evergy has reviewed this vacation request and we have no objection, but we do have poles and OH primary line running east/west at the south end of the alley. Eric O'Donnell, Area Design Representative, will be the contact for this vacation request and any project associated with it. He can be contacted at (316) 261-6359. Standard language will apply; The applicant can either maintain the portion of the platted alley with Evergy equipment it as utility easement or they can discuss relocation or removal of existing Evergy equipment, but that will be at the applicant's expense.

Cox has no objection to this vacate. Cox has aerial lines in the area. Any relocation will be at the applicant's expense.

The alley is platted in Westbreeze 2nd Addition, recorded with the Register of Deeds November 8, 1949.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Public Works, Water & Sewer, Stormwater, Traffic, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described alley right-of-way.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time April 18, 2024, which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by vacating the described portion of the alley public right-of-way and that the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) Dedicate a 20-ft wide utility easement running east and west, centered on the existing sanitary line with original signatures. This easement dedication must be provided to Planning prior to the case going to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds.

- (2) Provide restrictive covenants, with original signatures, binding and tying the vacated described alley right of way to the abutting properties. This must be provided to Planning prior to the case going to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds.
- (3) As needed provide utilities with any needed project plans for the relocation of utilities for review and approval. Any relocation/reconstruction of utilities made necessary by this vacation shall be to City Standards and shall be the responsibility and at the expense of the applicants. Provide an approved project number(s) to Planning prior to the case going to City Council for final action.
- (4) All improvements shall be according to City Standards and at the applicants' expense.
- (5) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
