SITE PLAN

APPROVED
6/16/23 CMR

BACKGROUND: The applicant is requesting a Conditional Use for a Nightclub in the City as an accessory use to an existing bar on the subject site southwest corner of East 17th Street North and North Holyoke Avenue (3227 East 17th St North). The subject site is 0.31 acres in size and is zoned LC Limited Commercial District. The applicant's site plan illustrates that the subject site is currently developed with a strip mall that also includes a convenience store. The applicant will use one suite of the building for the Nightclub in the City.

The applicant is requesting the Conditional Use in order to permit live entertainment and alcohol in the same space. The Nightclub in the City will expand upon the existing use as a bar. Supplementary Use Regulations in Section III-D.6.w of the Unified Zoning Code require a Conditional Use for "Nightclub in the City" when it is within 300 feet of residential zoning district. The need for the Conditional Use at this location is due to the requested land use and the proximity of SF-5 Single-Family Residential District zoning, which is located approximately 70 feet north of the subject site, across East 17th Street North. There is additional B Multi-Family Residential District zoning 75 feet south from the subject site.

The subject property was zoned commercial prior to the adoption of the Wichita Landscape Ordinance. Therefore, the applicant is not required to provide a landscaped street yard along East 17th Street North. Additionally, because there is LC Limited Commercial District zoning on the south, east, and west sides, it does not have to adhere to Unified Zoning Code screening standards.

The character of the neighborhood is commercial on the major arterial streets and residential on the surrounding local streets. Property to the north, across East 17th Street North, is zoned SF-5 Single-Family Residential District and is developed with a university. Property to the south is zoned LC Limited Commercial District and is vacant. Property to the east, across North Holyoke Avenue, is zoned LC Limited Commercial District and is developed with a parking lot. Property to the west is zoned LC Limited Commercial District and is developed with an educational building.

CASE HISTORY: On February 14, 1887, the Fairmount Addition was created. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5	University
SOUTH:	LC	Vacant
EAST:	LC	Parking lot
WEST:	LC	Educational building

PUBLIC SERVICES: The property has access to East 17th Street North, a four-lane arterial street with sidewalks on each side. Wichita Transit provides regular bus service within one block west of the subject site, at the southeast corner of East 17th Street North and North Hillside Avenue. Municipal water and sewer already serve the subject site.

CONFORMANCE TO PLANS/POLICIES: The request is in conformance with the *Community Investments Plan*. The *Community Investment Plan* (the Wichita-Sedgwick County Comprehensive Plan) recommends the subject site as appropriate for "Residential and Employment Mix" land uses. The *Plan* identifies "Residential and Employment Mix" as "areas of land that likely will be developed or redeveloped by 2035 with uses predominately of a mixed nature. Due to the proximity of higher intensity businesses uses, residential housing types within this area likely will be higher density. Due to the proximity of residential uses, employment uses likely will have limited negative impacts associated with noise, hazardous emissions, visual blight, and odor." The conditions of approval outlined in the staff

report, which include limited hours of operation, are designed to mitigate any negative impacts towards nearby residential properties, such as noise.

The request is also in conformance with the Locational Guidelines of the Comprehensive Plan. A general Development Pattern Guideline states: “*Development should occur where necessary supporting infrastructure and services exist or are planned for extension concurrently with the development.*” The proposed Nightclub in the City will expand upon an existing business.

The request is in conformance with the *Wichita: Places for People Plan*. The subject site is located near East 17th Street North and North Hillside Avenue, which the *Wichita: Places for People Plan* identifies as a Neighborhood Hub. According to the *Plan*, a Neighborhood Hub is defined as “one or more small-scale commercial buildings, with not more than one small-scale, medium-box anchor. Development in Neighborhood Hubs in the ECA should be concentrated and intended to incorporate only small-scale Building Types into their footprint. The low intensity of this type of commercial development allows these hubs to be well-integrated into the existing neighborhoods.” The requested Conditional Use will expand upon an existing business in a one-story strip mall, which fits the scale around the existing neighborhood.

The *Places for People Plan* also identifies this site as an “Area of Opportunity”, which the *Plan* identifies as “areas that generally exhibit economic challenges, a disconnected development pattern, and a lack of walkable places and facilities. These areas are in need of strategic reinvestment, both public and private, to assist in redefining and reinvigorating the area, physically and socially.”

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request be **APPROVED**, subject to the following conditions:

1. Nightclub in the City shall adhere to Supplementary Use Regulations in Section III-D.6.w of the Unified Zoning Code.
2. Nightclub in the City shall be allowed only as accessory to a drinking establishment.
3. The site shall be developed in general conformance with the approved site plan and in compliance with all city ordinances, including but not limited to: zoning, sign code, building, fire, health codes or licensing requirements.
3. The parking lot shall be kept free of all trash and debris.
4. No loitering, congregating or excessive noise shall be permitted in the parking lot.
5. Operation of the Nightclub in the City shall be limited to 3:00 p.m. to 2:00 a.m.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in the Unified Zoning Code, may, with the concurrence of the Planning Director, declare the Conditional Use null and void.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The character of the neighborhood is commercial on the major arterial streets and residential on the surrounding local streets. Property to the north, across East 17th Street North, is zoned SF-5 Single-Family Residential District and is developed with a university. Property to the south is zoned LC Limited Commercial District and is vacant. Property to the east, across North Holyoke Avenue, is zoned LC Limited Commercial District and is developed with a parking lot. Property to the west is zoned LC Limited Commercial District and is developed with an educational building.

2. The suitability of the subject property for the uses to which it has been restricted: The site is suitable for commercial uses under the existing zoning. The building could be remodeled to be used for a wide variety of LC uses allowed by the current zoning. In this case, the Conditional Use is only required because of the proposed use being located within 300 feet of residential district zoning.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Staff does not anticipate the removal of restrictions will detrimentally affect nearby property. The conditions of approval, such as the hours of operation are designed to mitigate possible detrimental impacts to nearby surrounding properties.
4. Length of time subject property has remained vacant as zoned: The subject site is not vacant. The property has been developed as a small strip mall since 1961.
5. Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant: Approval of the application is not anticipated to have a detrimental impact on the public health, safety, or welfare of the community. The proposed Conditional Use will allow the applicant to expand upon an existing business. Denial of the application may result in a loss of economic opportunity for the applicant.
6. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The request is in conformance with the *Community Investments Plan* and the *Places for People Plan*, as discussed in the staff report.
7. Impact of the proposed development on community facilities: It is not anticipated that the Conditional Use will have significant negative impacts on community facilities.
8. Opposition or support of neighborhood residents: At the time the staff report was prepared, staff did not receive any comments that supported or opposed the proposed Conditional Use.
