METROPOLITAN AREA PLANNING COMMISSION **AGENDA REPORT NO. January 9, 2025**

STAFF REPORT

CASE NUMBER: **VAC2024-00055** - City Vacation of a portion of a platted 25-foot building setback.

APPLICANT: Area 151, LLC (applicant)/ Garver, LLC (agent)

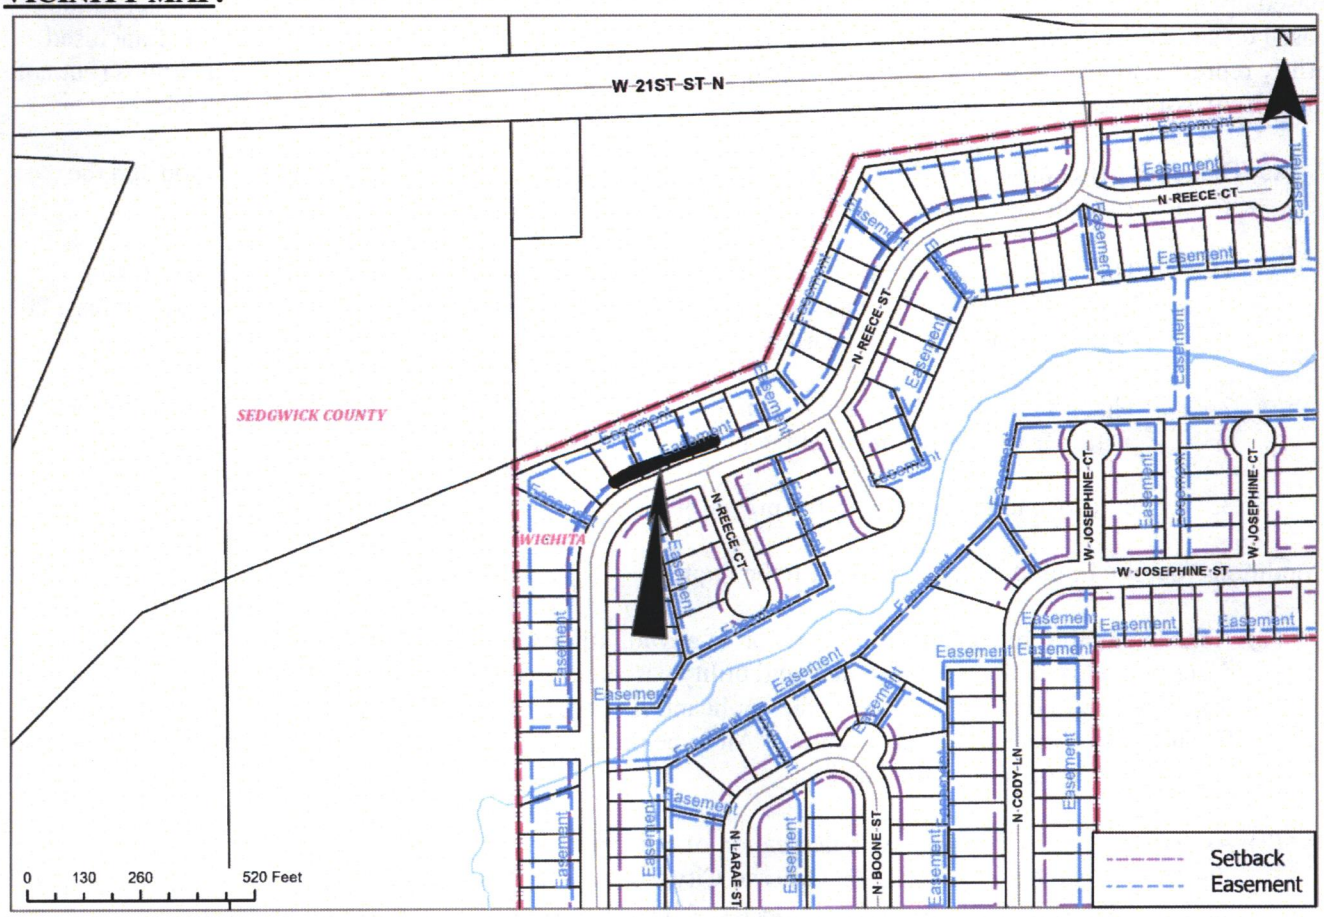

LEGAL DESCRIPTION: Generally described as vacating the north 5 feet of the south 25 feet of Lots 17, 18, 19, and 20, Block 4, Area 151 Addition, Wichita, Sedgwick County, Kansas.

LOCATION: Generally located within one-quarter mile south of West 21st Street North and one-half mile east of North 151st Street West. (WCC V)

REASON FOR REQUEST: To allow additional buildable area on the lots.

CURRENT ZONING: The subject site and all abutting sites are zoned TF-3 Two-Family Residential District and are undeveloped.

VICINITY MAP:

The applicant proposes to vacate the north five feet of a platted 25-foot front setback on Lots 17, 18, 19, and 20, Block 4, Area 151 Addition. If approved, this will allow for a larger buildable area on these four lots for the construction of either duplex or single-family dwellings. The platted 25-foot front setback matches that of the standard zoning front setback from the TF-3 Two-Family Residential District (TF-3). The request would reduce the setback to 20 feet. IF the setback were a zoning setback, this same reduction could be accomplished by Administrative Adjustment.

Wichita Public Works and Utilities, Wichita Traffic Engineering, and Wichita Fire Department do not object to the vacation of the platted setback. Comments from franchised utilities have been received. Cox has no objection to this vacation request. Any relocation of Cox lines or equipment would be at the applicant's expense. The subject site is outside Evergy territory. Sedgwick County Electric Coop serves the site. They do not object to the vacation and do not have any equipment in the area. The Area 151 Addition was recorded on June 19, 2023.

When determining a recommendation to be made to the Metropolitan Area Planning Commission (MAPC), the Subdivision and Utility Advisory Committee should consider the legal findings that are required to be made by the MAPC and Governing Body in order to grant the request. These findings are detailed in the subsequent MAPC report. In particular, the Committee should consider whether any private rights will be injured or endangered by recommending approval of the vacation request, and whether or not the public will suffer any loss or inconvenience thereby.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portion of the platted building setback.

A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:

    1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time December 19, 2024, which was at least 20 days prior to this public hearing.

    2. That no private rights will be injured or endangered by vacating the described portion of the platted front setback and that the public will suffer no loss or inconvenience thereby.

    3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

(1) Abandonment or relocation/reconstruction of any/all utilities made necessary by the vacation of the described portion of a wall easement and utility easement shall be to City Standards and shall be the responsibility and at the expense of the applicant. As needed provide approval from franchised utilities for the relocation of franchised utilities. All to be provided to the Planning Department prior to this case going to City Council for final action.

(2) As needed provide Planning with dedication of easements by separate instruments with original signatures to go with the Vacation Order to City Council for final action and subsequent recording with the Vacation Order at the Register of Deeds. All to be provided to the Planning Department prior to this case going to City Council for final action.

(3) All improvements shall be according to City Standards and at the applicants' expense.

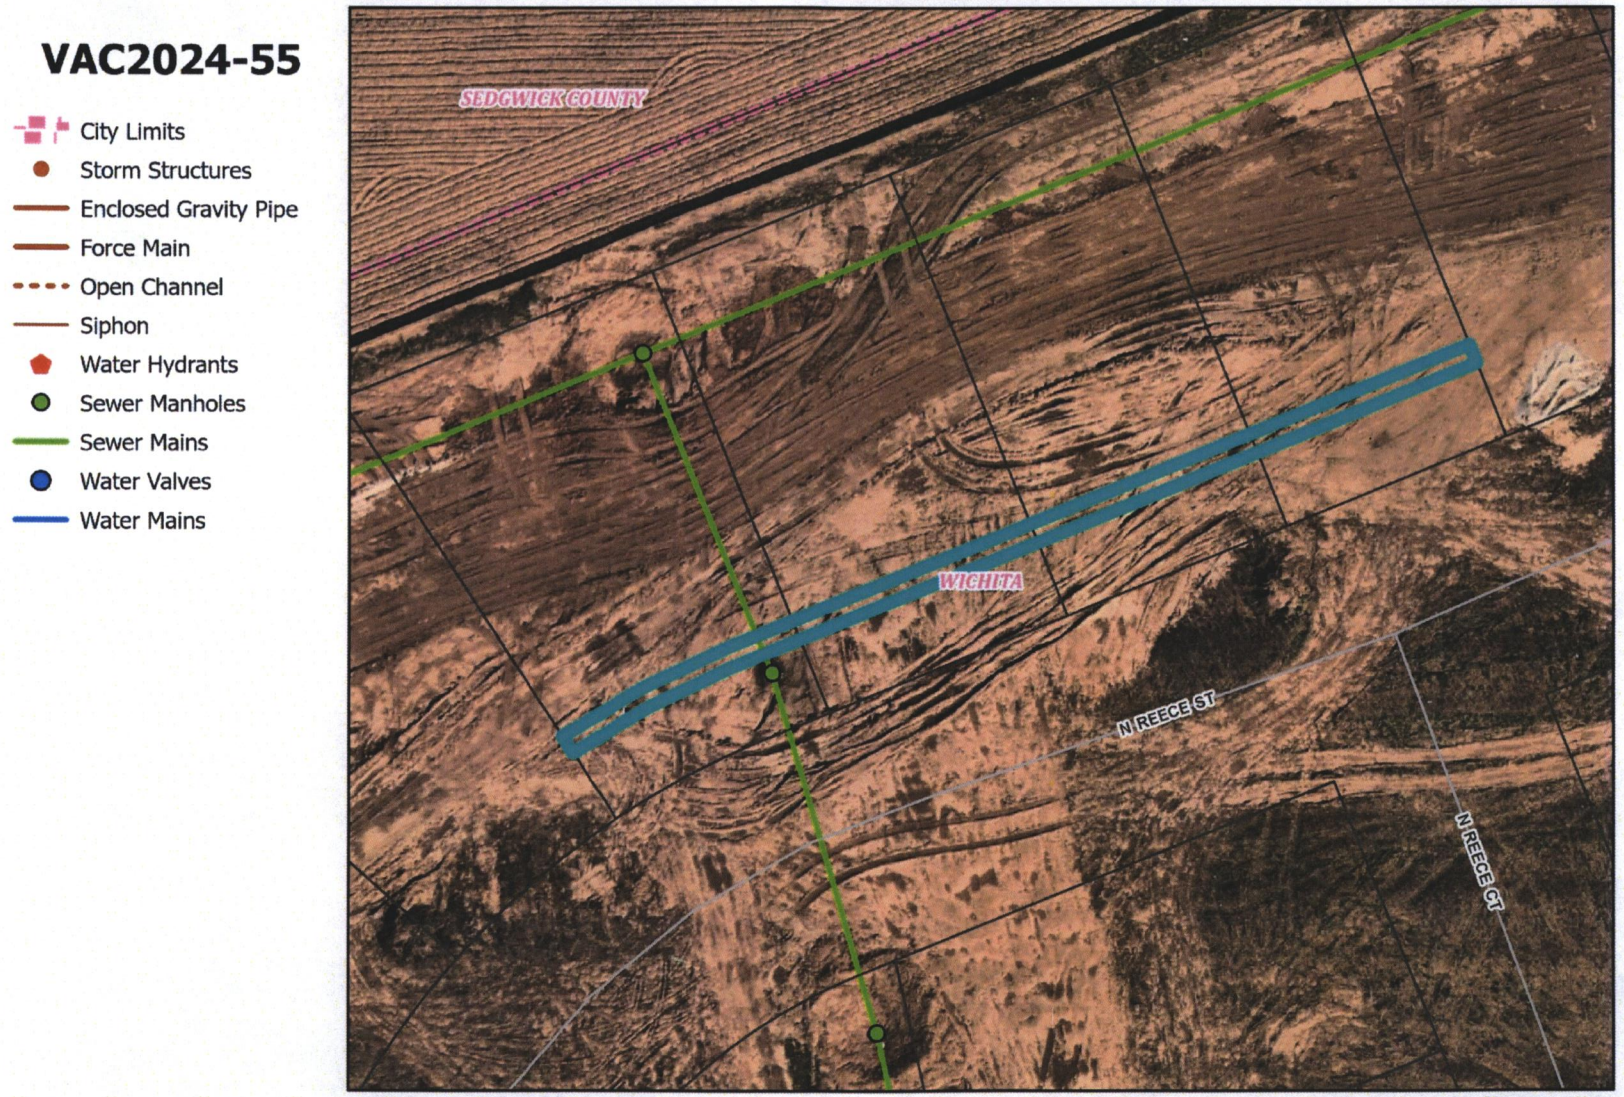

(4) Per MAPC Policy Statement #7, all conditions are to be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the vacation order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.

SUBDIVISION COMMITTEE'S RECOMMENDED ACTION
