STAFF REPORT
MAPC: February 27, 2025
CAB 1: March 17, 2025

CASE NUMBER: CON2025-00011 (County)

APPLICANT/OWNER: Adam and Rachel Phillips (Applicants)

REQUEST: Conditional Use to permit an Accessory Apartment

CURRENT ZONING: RR Rural Residential District

SITE SIZE: 35.86 acres

LOCATION: Generally located on the northeast corner of East 69th Street North and North 143rd Street East (7120 North 143rd Street East).

PROPOSED USE: Accessory Apartment.

RECOMMENDATION: Approval with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on property zoned RR Rural Residential District (RR). The 35.86-acre subject site is generally located on the northeast corner of East 69th Street North and North 143rd Street East (7120 North 143rd Street East).

The property is currently developed with a single-family dwelling. The applicants desire to construct an Accessory Apartment for aging family members. The proposed Accessory Apartment is defined as such because it would have living facilities for sleeping, eating, sanitation and a kitchen, which requires water and sewer services. The proposed building measures 40 feet by 105 feet. It is proposed to be located directly to the east of the main dwelling unit. Access to the Accessory Apartment would be from the driveway that currently serves the property. The principal structure and the Accessory Apartment would share on-site sewage and water.

The Wichita-Sedgwick County Unified Zoning Code (“UZC”) defines an “Accessory Apartment” (Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal building. Accessory Apartments are also subject to Supplementary Use Regulation Sec.III-D.6.a:

1. a maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an Accessory Apartment;
2. the appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood;
3. the Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium; and
4. the water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The character of the area is rural and low-density residential. Properties to the north, south, east and west are zoned RR in unincorporated Sedgwick County. Properties to the north and east are developed with single-family dwellings. Properties to the south, across East 69th Street North, and west, across North 143rd Street East, are agricultural uses.

CASE HISTORY: The subject property is currently unplatted. Platting is not required for expansion of residential uses like an Accessory Apartment. There are no other zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Single-family dwelling
SOUTH:	RR	Agriculture
EAST:	RR	Single-family dwelling
WEST:	RR	Agriculture

PUBLIC SERVICES: This site has access to North 143rd Street East, a gravel, two-lane county arterial street with open ditches on both sides. The property uses onsite sewage and is served by Butler County Rural Water District #5.

CONFORMANCE TO PLANS/POLICIES: The requested zone change is in conformance with the Wichita-Sedgwick County Comprehensive Plan, the *Community Investments Plan*, identifies the site as “Rural Area” on the Future Growth Map Concept Map. This category is described as follows: “Encompasses land outside the 2035 urban growth areas for Wichita and the small cities. Agricultural uses, rural-based businesses, and larger lot residential exurban subdivisions likely will be developed in this area.” An Accessory Apartment on property this size should not be detrimental to neighboring properties.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request for the Accessory Apartment be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal building (7120 North 143rd Street East) and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include turning in plans for review and approval by the MABCD for the Accessory Apartment, if necessary.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. **The zoning, uses and character of the neighborhood:** The character of the area is rural and low-density residential. Properties to the north, south, east and west are zoned RR Rural Residential District in unincorporated Sedgwick County. Properties to the north and east are developed with single-family dwellings. Properties to the south, across East 69th Street North, and west, across North 143rd Street East, are developed with agricultural uses.
2. **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential District, which is suitable for a single-family residence and an Accessory Apartment with an approved Conditional Use. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
4. **Length of time subject property has remained vacant as zoned:** The subject property has been developed with a single-family dwelling.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have an effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
7. **Impact of the proposed development on community facilities:** Staff expects that there will be minimal impact on public roads and services.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff had not received any comments from the public regarding the requested Conditional Use.
