STAFF REPORT
 MAPC: April 24, 2025

CASE NUMBER: CON2025-00057 (County)

APPLICANT/OWNER: Michael and Donna Rosbach (Applicants)

REQUEST: Conditional Use to permit an Accessory Apartment

CURRENT ZONING: RR Rural Residential District

SITE SIZE: 1.12 acres

LOCATION: Generally located on the east side of Ross Avenue, within 460 feet south of West 89th Street North (8912 Ross Street) (Valley Center Area of Influence).

PROPOSED USE: Accessory Apartment.

RECOMMENDATION: Approval with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on property zoned RR Rural Residential District. The 1.12-acre subject site is generally located on the east side of Ross Avenue, within 460 feet south of West 89th Street North (8912 Ross Street). The subject site is currently developed with a single-family residence and detached garage built in 1957.

The applicant is filing the request to construct a new mother-in-law suite on site. The proposed Accessory Apartment would measure 30 feet by 60 feet. The structure would sit 30 feet from the side (north) and rear (east) property lines and 70 feet from the other side (west) property line. The height of the proposed structure was not disclosed; the Wichita-Sedgwick County Unified Zoning Code (“UZC”) allows a maximum height that is 60 percent of the development standard for principal structures, or 21 feet in the Rural Residential (“RR”) zoning district.

The UZC requires one parking space for an Accessory Apartment in addition to one parking space per single-family dwelling unit in RR zoning. The two-car garage on site provides sufficient parking for both uses.

The UZC defines an “Accessory Apartment” (Art. II.Sec. II-B.1.b) as a dwelling unit that may be wholly within or may be detached from a principal building. Accessory Apartments are also subject to Supplementary Use Regulation Art. III.Sec.III-D.6.a:

1. a maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit that may be within the main building, within an accessory building or constructed as an Accessory Apartment;
2. the appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood;
3. the Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family dwelling unit, and the ownership shall not be divided or sold as a condominium, and
4. the water and sewer service provided to the Accessory Apartment shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The character of the area is rural and low-density residential. Properties to the north, south, east, and west are zoned RR Rural Residential District in unincorporated Sedgwick County and developed with single-family dwellings on one-acre lots.

CASE HISTORY: This property is not platted. Subdivision Regulations exempt the property from platting if the request for an Accessory Apartment is approved. There are no zoning cases associated with this property.

ADJACENT ZONING AND LAND USE:

NORTH:	RR	Single-family dwelling
SOUTH:	RR	Single-family dwelling
EAST:	RR	Single-family dwelling
WEST:	RR	Single-family dwelling

PUBLIC SERVICES: This site has access to North Ross Avenue, which is a gravel street with open ditches on each side. The property uses on-site septic and has a water well.

CONFORMANCE TO PLANS/POLICIES: The request for an Accessory Apartment is in conformance with the *Community Investments Plan*. The Wichita-Sedgwick County *Community Investments Plan*'s 2035 Future Growth Concept Map identifies the site as being a “Rural Area”, which the *Plan* identifies as “specific to the unincorporated areas of Sedgwick County located outside the 2035 Urban Growth Areas.”

The subject site is within the Valley Center Area of Influence. Accessory Apartments are permitted in Valley

Center by Conditional Use in all residential zoning districts and have the same Supplemental Use Regulations as Wichita-Sedgwick County Unified Zoning Code.

RECOMMENDATION: Based upon information available prior to the public hearings, planning staff recommends that the request for the Accessory Apartment be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal building (located at 8912 North Ross Avenue) and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include turning in plans for review and approval by the MABCD for the Accessory Apartment.
5. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

- (1) **The zoning, uses and character of the neighborhood:** The character of the area is rural and low-density residential. Properties to the north, south, east, and west are zoned RR Rural Residential District in unincorporated Sedgwick County and developed with one-acre lots and single-family dwellings.
- (2) **The suitability of the subject property for the uses to which it has been restricted:** The subject site is currently zoned RR Rural Residential District, which is suitable for a single-family residence and an Accessory Apartment with an approved Conditional Use. The size of the property can easily accommodate a separate Accessory Apartment and the additional required parking space.
- (3) **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff does not anticipate that approval of the request will generate significant amounts of additional traffic and there is ample space for parking on site. The conditions of approval should minimize any potential detrimental impacts.
- (4) **Length of time subject property has remained vacant as zoned:** The subject property is not vacant. The property has been developed with a single-family dwelling and a detached garage since 1957.
- (5) **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** It is not anticipated that the requested Conditional Use will have significant negative effects on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
- (6) **Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies:** The request for an Accessory Apartment is in conformance with the *Community Investments Plan*, as discussed in this staff report.
- (7) **Impact of the proposed development on community facilities:** Staff expects that there will be minimal impact on public roads and services.

(8) **Opposition or support of neighborhood residents**: At the time the staff report was prepared, staff received two phone calls from nearby property owners requesting further information on the proposed use.
