STAFF REPORT

**CASE NUMBER:** VAC2025-00006- Request to vacate a portion of South Dodge Ave.

**APPLICANT/AGENT:** Jerry Spivey and Diane Wallis (Applicants)/ Garber Surveying Service

**LEGAL DESCRIPTION:** Generally described as vacating the South Dodge Avenue Right-of-Way as platted between Lots 7 and 8, Block 1, A. Verne Roberts Addition, Wichita, Sedgwick County, Kansas.

**LOCATION:** Generally located within one-quarter mile west of South Seneca Street and one-half mile south of West 47<sup>th</sup> Street South (between 1222 and 1300 West 50<sup>th</sup> Street South).

**REASON FOR REQUEST:** To allow property owners to continue to utilize undeveloped right-of-way.

**CURRENT ZONING:** Properties south of the right-of-way are zoned SF-5 Single-Family Residential District (SF-5) and developed with single-family dwellings. Property north of the right-of-way is zoned MF-18 Multi-Family Residential District and is a developed with a landscape nursery and a floodway reserve.

The applicants are requesting the vacation of a portion of the South Dodge Avenue right-of-way located within one-quarter mile west of South Seneca Street and one-half mile south of West 47<sup>th</sup> Street South. The subject portion of the right-of-way was platted between Lots 7 and 8, Block 1, A. Verne Roberts Addition. The subject portion of the right-of-way is not improved and dead-ends on the north, where it abuts a floodway easement dedicated on the abutting property. Said floodway easement has a drainage pond that would likely be cost prohibitive to establish any connection to the subject portion of South Dodge Avenue. The property to the north is developed with a landscape nursery along the South Seneca Street frontage, but is undeveloped in the rear portion closest to the subject right-of-way.

The following comments were received from City of Wichita Departments:

- City Traffic Engineering does not object to the vacation.
- City Fire does not object to the vacation.
- City Stormwater does not object as long as natural drainage patterns are maintained.
- City Public Works and Utilities does not object. However, they do require the northern 10 feet to be dedicated as a utility easement in relation to a sewer manhole and line located along the rear line of Lot 8 to the east.

The following comments have been received from franchise utilities.

- Evergy does not object to the vacation. They have equipment in the right-of-way and will require it to be dedicated as an easement. Any relocation and/or removal of existing Evergy equipment will need to be discussed and will be at the applicants' expense. Sammy Whalen, Area Design Representative, can be contacted at 316-261-6334 regarding this project.
- Kansas Gas Service does not object to the vacation. They have a gas line within the right-of-way and an easement will need to be dedicated.

Due to the presence of multiple utilities, staff is recommending the entire right-of-way be dedicated as an easement. The A. Verne Roberts Addition was recorded with the Sedgwick County Register of Deeds on July 17, 1951

When determining a recommendation to be made to the Metropolitan Area Planning Commission (MAPC), the Subdivision and Utility Advisory Committee should consider the legal findings that are required to be made by the MAPC and Governing Body in order to grant the request. These findings are detailed in the subsequent MAPC report. In particular, the Committee should consider whether any private rights will be injured or endangered by recommending approval of the vacation request, and whether or not the public will suffer any loss or inconvenience thereby.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from City Traffic, Public Works/Water & Sewer/Stormwater, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the described portion of the platted street right-of-way.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
  1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time March 6, 2025, which was at least 20 days prior to this public hearing.
  2. That no private rights will be injured or endangered by vacating the described portion of the platted street right-of-way and that the public will suffer no loss or inconvenience thereby.

3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) Vacate the described portion of the South Dodge Avenue right-of-way abutting Lots 7 & 8, Block 1, A. Verne Roberts Addition, Wichita, Sedgwick County Kansas.
- (2) Provide planning staff with legal descriptions of the approved vacated portion of the platted right-of-way on a Word document, via e-mail, to be used on the Vacation Order. This must be provided to Planning prior to the case going to Council for final action.
- (3) The applicants shall record restrictive covenants, binding and tying their respective portions of the subject right-of-way to their Lots. The restrictive covenants shall be provided to Planning prior to the case going to Council for final action.
- (4) The applicants shall record a utility easement, by separate instrument, for their portions of the South Dodge Right-of-way,. The easement shall be provided to Planning prior to the case going to Council for final action.
- (5) All improvements shall be according to City Standards and at the applicant's expense.
- (6) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the Vacation Order, and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
