RE: Administrative Adjustment (CUP2013-00017) to split Parcel 1 of DP-153, the Huntington Place Community Unit Plan ("CUP") into three parcels: a smaller Parcel 1 and new Parcels 2 and 3 (associated with LSP2013-09 and VAC2013-04 and VAC2013-09) and the re-allocation of the CUP's basic development standards on property located west of Maize Road and approximately ¼ mile south of 13th Street North.

We have received and reviewed your request for an Administrative Adjustments to Parcel 1, DP-153, the Huntington Place CUP located west of Maize Road and approximately ¼ mile south of 13th Street North. Currently Parcel 1 of DP-153 contains 6.07 acres. The requested Administrative Adjustment proposed to divide the existing Parcel 1 into three parcels with the following area: Parcel 1, 2.20 acres; Parcel 2, 1.93 acres and Parcel 3, 1.89 acres. Currently the existing Parcel 1 is divided into Lots 1 and 2, Huntington Park Addition. Lot Split LSP2013-09 has been filed to divide the existing Lots 1 and 2, Huntington Park Addition into three Lot Split parcels (A, B and C) that correspond in area to the proposed three CUP Parcels (1, 2 and 3) requested by this Administrative Adjustment. With the division of the original Parcel 1 into three parcels the applicant is also requesting a modification to the basic development standards to re-allocate the: net area, maximum building coverage, maximum gross floor area, floor area ratio, maximum building height, maximum number of buildings, parking and setbacks.

We have reviewed your request as generally described above, and specifically described in the attachment from Baughman Company, dated April 24, 2013, and signed by Russ Ewy. On the basis of our review we have approved the Administrative Adjustments as described in the attached letter.

Except as expressly stated above, this adjustment shall not be deemed to alter any other provisions of the CUP.

Within 30 days of approval please provide four revised copies of the approved CUP.

The zoning notification signs may now be removed from the property.
