VICINITY MAP:

The applicant proposes to vacate a platted 20-foot utility easement running east-west from the east property line via the center of the property, thence north-south to the north property line. The subject site was platted as Lots 7, 8, 9, 10, 11, 12, 13, 14, 21 and 22, Block 1, Oatville Addition. It is addressed as 3950 South Baehr Street, which is generally located on the north side of West MacArthur Road and one-half mile east of South Hoover Road. There are no additional easements, nor public water or sewer lines on the property which will be affected by this request.

There are no public utilities in the vacation area. Wichita Public Works and Utilities, Fire, Stormwater, or Traffic Engineering do not object to this vacation. Comments from franchised utilities have been received. Kansas Gas has no lines or equipment in the vacation area and therefore has no objections. Cox has no objection to this vacation, but has aerial lines on S Young St. Any relocation will be at the applicant's expense.

The 12.47 KV 3 phase transmission line located south of the property across McArthur Rd should not affect this vacation request. Samantha Whalen, Area Design Representative, will be the contact for this vacation request and any project associated with it. She can be contacted at (316) 261-6334 for any questions or discussion. Standard language will apply: **Any relocation or removal of existing Evergy equipment will need to be discussed and will be at the applicant's expense.**
