STAFF REPORT

MAPC: August 14, 2025
DAB IV: August 11, 2024

-
- CASE NUMBER:** CON2025-00093 (City)
- OWNER/AGENT:** Kathy and Tong Nguyen; Van Le (Applicants)
- REQUEST:** Conditional Use Amendment to CON2024-00212 to extend hours of Entertainment Establishment in the City
- CURRENT ZONING:** LC Limited Commercial District
- SITE SIZE:** 1.35 acres
- LOCATION:** Generally located on the northeast corner of South Seneca Street and West Pawnee Avenue (1040 West Pawnee Avenue)
- PROPOSED USE:** Entertainment Establishment
- RECOMMENDATION:** Deny

BACKGROUND: The applicant is requesting an amendment to a Conditional Use to extend the approved hours of an Entertainment Establishment in the City from 12:00 p.m. - 10:00 p.m. to 12:00 p.m. - 1:00 a.m. on Fridays and Saturdays. The site is zoned LC Limited Commercial and is located with 300 feet of residentially zoned properties. The 1.35-acre site is generally located on the northeast corner of South Seneca Street and West Pawnee Avenue (1040 West Pawnee Avenue).

On October 15, 2024, the Wichita City Council approved a Conditional Use (CON2024-00212) request to permit an Entertainment Establishment in the City on the subject site. Below is a list of the Conditions of Approval for the case:

1. Entertainment hours shall be between the hours of 12:00 p.m. (noon) and 10:00 p.m. and all Compatibility Noise Standards shall apply per the Unified Zoning Code.
2. There shall be no amplified music or speakers outdoors.
3. Amendments, adjustments, or interpretations to this Conditional Use shall be done in accordance with the Unified Zoning Code.
4. The transfer of title of all or any portion of land included within the Conditional Use (or any amendments thereto) does not constitute a termination of the Conditional Use or any portion thereof, but said Conditional Use shall run with the land and be binding upon present owners, their successors and assigns.
5. Development of the site shall be in general conformance with the approved site plan.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing of other remedies set forth in the UZC, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

The applicants would like to amend Condition #1, requesting to extend the hours from 12:00 p.m. (noon) to 1:00 a.m. on Fridays and Saturdays only. This amendment request stems from an anonymous complaint against the property to the Planning Department Zoning Enforcement Division from a nearby neighbor. The complaint was that the events taking place on the subject site were extending beyond the allowed timeframe according to the conditions of approval.

The subject site borders a church to the north and the SF-5 Single-Family Residential District (SF-5) to the north and east, both of which are within the 300-foot threshold requiring Conditional Use approval. According to Sec. IV-C.6 of the UZC, Compatibility Noise standards apply to the subject site since it is within 500 feet of property zoned MH Manufactured Housing Residential District (MH) or more restrictive.

Section IV-B.2 of the Unified Zoning Code (UZC) requires screening of commercial properties when abutting or across a street or alley from residential zoning districts. The applicants have installed screening in the appropriate areas since the Conditional Use was approved.

The subject site is part of a larger commercial strip development. Properties to the north and east are zoned SF-5 and are developed with a church and single-family dwellings. Property to the south is zoned SF-5 and is developed as a single-family dwelling. Property to the west is zoned LC and is developed with a Vehicle Repair, Limited business.

CASE HISTORY: On November 16, 1965, the property was platted at part of the M and B Addition. There have been no other zoning cases associated with the property. On October 15, 2024, a Conditional Use (CON2024-00212) was approved to permit an Entertainment Establishment in the City on property within 300 feet of a residentially zoned property.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5	Church/Single-family dwellings
SOUTH:	SF-5	Single-family dwelling
EAST:	SF-5	Single-family dwellings
WEST:	LC	Vehicle Repair, Limited

PUBLIC SERVICES: The subject site has access to South Seneca Street and West Pawnee Avenue. South Seneca Street is a paved four-lane arterial street with dedicated right-and left-turn lanes with sidewalks on both sides. West Pawnee Avenue is a paved four lane arterial street with dedicated a dedicated right-and left-turn lanes and sidewalks on both sides. All municipal services are in place and can accommodate the required services to the site. Wichita Transit serves the site on the northeast and southwest corners South Seneca Street and West Pawnee Avenue.

CONFORMANCE TO PLANS/POLICIES: The following plans govern development on the subject site:

Community Investments Plan: The proposed application is not in conformance with the 2035 Future Growth Concept Map element of the *Community Investments Plan* based. The *Community Investments Plan* (the Wichita-Sedgwick County Comprehensive Plan) includes the 2035 Wichita Future Growth Concept Map. The Map identifies the area in which the site is located to be appropriate for "Commercial." This category is described as, "areas that reflect the full diversity of commercial development intensities and types typically found in a large urban municipality. Convenience retail, restaurants, small offices, and personal service uses are located in close proximity to, and potentially mixed with, Residential Uses. Major destination areas (centers and corridors) containing concentrations of commercial, and office uses that have regional market areas and generate high volumes of traffic are located in close proximity to major arterials or highways and typically are buffered from lower density residential areas by higher density housing types. The subject site is not buffered from low-density residential uses by other types of development. This lack of buffering was the basis for the original hours of operation. Staff believes that extending the hours until 1:00 a.m. on Fridays and Saturdays might have detrimental effects for nearby property owners.

The proposed application is not in conformance with the Locational Guidelines of the *Community Investments Plan*. Under the heading "Design" Locational Guidelines 1.e states that "Non-residential uses should have site design features that limit traffic, noise, lighting, and adverse impacts on surrounding residential land uses." Due to the close proximity of low-density residential uses, the application was previously approved with restrictive hours of operation as a site design feature to mitigate possible adverse impact of noise being generated by the use.

The Wichita: Places for People Plan: The requested Conditional Use is in partial conformance with the *Wichita: Places for People Plan*. The *Wichita: Places for People Plan* provides recommendations for urban infill development in the Established Central Area (ECA). In general, the ECA is envisioned as "a place for people - a place that provides for the movement of people - on foot, on bike, and through transit - in balance with automobiles." Ensuring development follows a nodal pattern "which creates a critical mass of activity at the center and transitions in scale and intensity" is key to realizing this vision.

To implement the vision defined for the ECA, six strategies have been identified to help guide the community in their actions to create walkable places within Wichita. Strategy #3 sets out to "Improve the economic feasibility of commercial uses and the markets necessary to support them." Strategy #6 of the *Plan* sets out to "Encourage infill and redevelopment that is contextual to the environment in which it is occurring." The original hours of operation were designed to help this use be more compatible with the surrounding, residential context to the north and east. Extending the hours of operation as requested is not contextual to the surrounding area.

RECOMMENDATION: Based upon the information available at the time the staff report was completed, staff recommends **DENIAL**. Should the Metropolitan Area Planning Commission determine that the requested amendment to the Conditional Use be approved, staff recommends that it shall be subject to the following amended conditions, and the Commission shall adopt additional findings to support the recommendation:

1. Entertainment hours shall be between the hours of 12:00 p.m. (noon) and 1:00 a.m. and all Compatibility Noise Standards shall apply per the Unified Zoning Code.
2. All other approved conditions of CON2024-00212 shall apply.

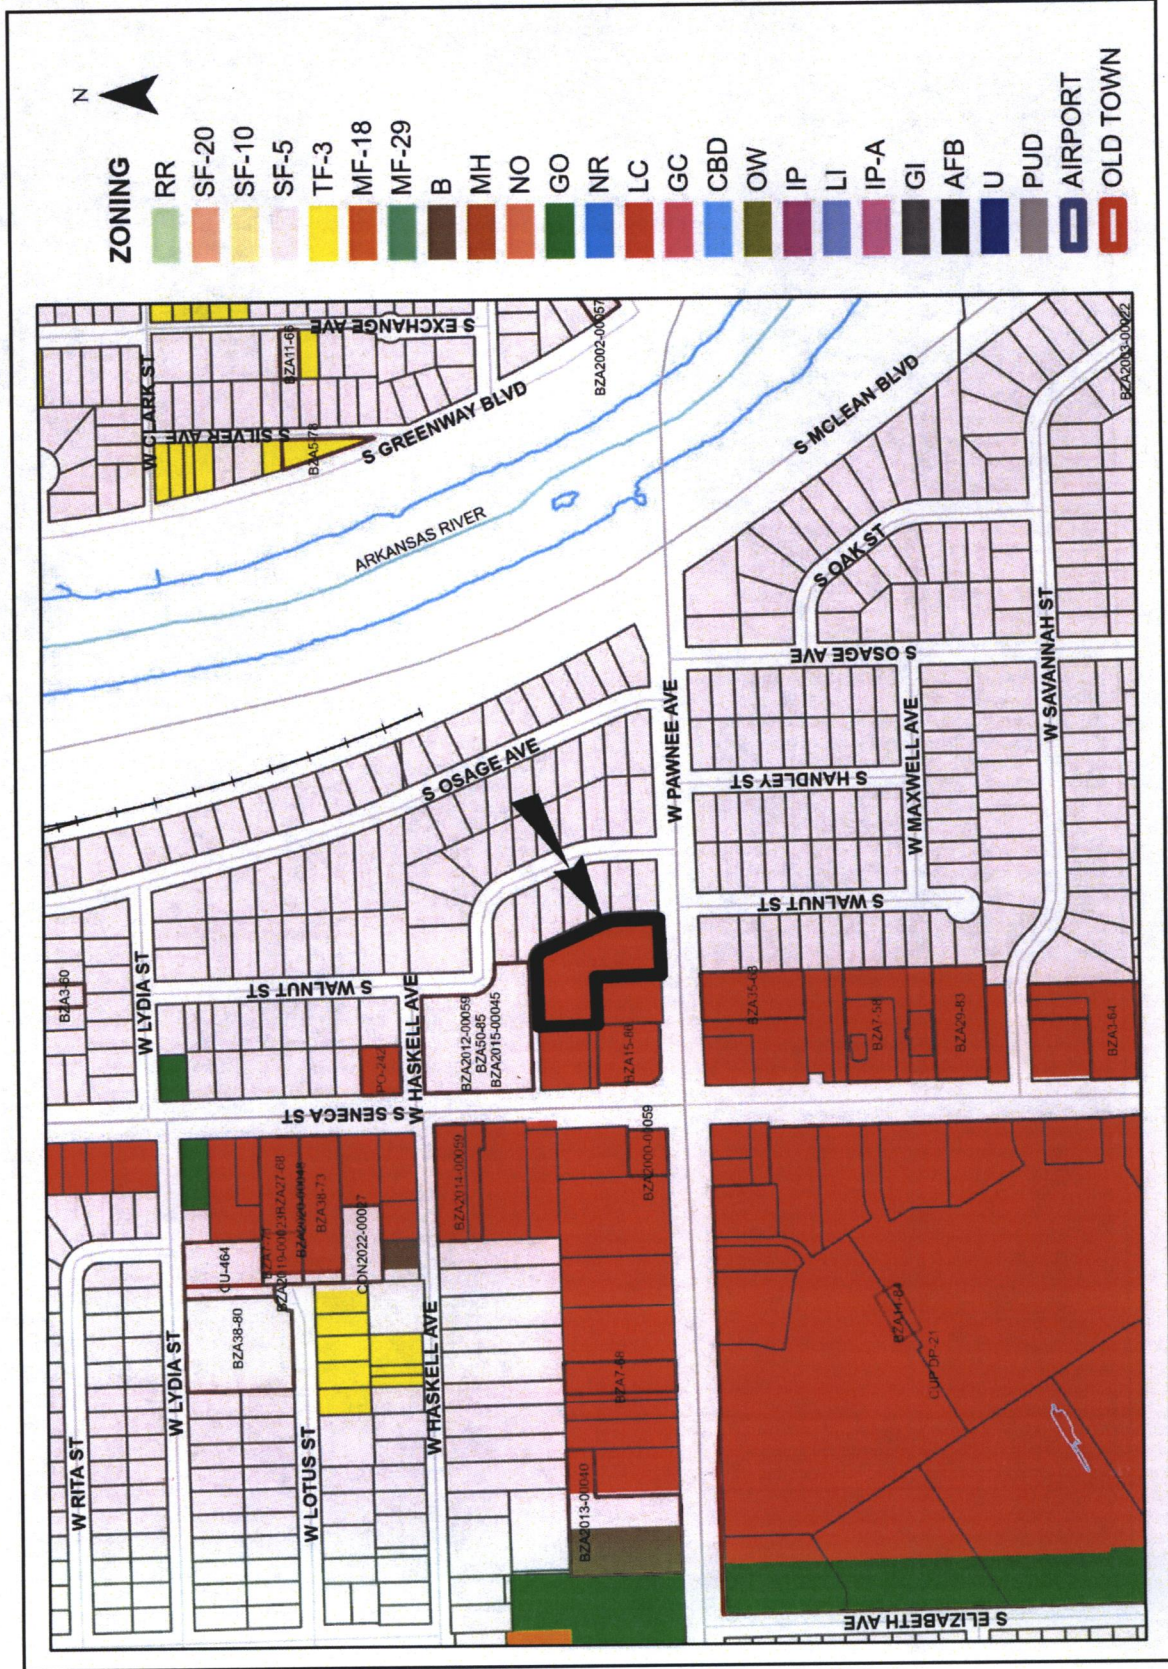

This recommendation of denial is based on the following findings:

1. **The zoning, uses and character of the neighborhood.** The subject site is part of a larger commercial strip development. Property to the north and east is zoned SF-5 and is developed with a church and single-family dwellings. Property to the south is zoned SF-5 and is developed as a single-family dwelling. Property to the west is zoned LC and is developed with a Vehicle Repair, Limited business.
2. **The suitability of the subject property for the uses to which it has been restricted:** The property is zoned LC Limited Commercial District and is limited to uses permitted in the LC District, including several residential, public and civic, and commercial uses.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** An Entertainment Establishment in the City may only be permitted through a Conditional Use when within 300 feet of a residentially zoned property. The existing conditions of approval are designed to mitigate possible negative impacts to neighboring properties. Allowing the subject site to extend the hours until 1:00 a.m. on Fridays and Saturdays while the subject site is within approximately 20 feet of residentially zoned properties to the east could detrimentally affect nearby properties.
4. **Length of time subject property has remained vacant as zoned:** The property is not vacant. It is developed with a small strip shopping center, including the Entertainment Establishment.
5. **Relative gain to public health, safety, and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Staff believes that allowing the Entertainment Establishment to operate until 1:00 a.m. on Fridays and Saturdays could be detrimental to the welfare of the nearby residentially zoned properties as evidenced by the recently received complaint. Denial may represent a loss of economic opportunity for the applicant.
6. **Conformance of the requested change to adopted or recognized Plans/Policies:** The proposed Conditional Use is not in conformance with the *Community Investments Plan* and in partial conformance with the *Wichita: Places for People* plan as discussed in the staff report.
7. **Impact of the proposed development on community facilities:** The Planning Department does not anticipate the requested amendment to the Conditional Use will have a significant impact on community facilities. Existing public infrastructure at the site should accommodate the uses.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff has received no comments regarding this request. However, at least one complaint was filed on the property for extending hours beyond what was approved by the original Conditional Use.
